Planned Facility Use for 521 E. Weddell Drive

This building will serve as the primary meeting facility once all the remodeling construction is completed. It will be used regularly for Sunday worship services, midweek evening ministry classes, and special events including church dinners, weddings, concerts and church offices. It will not have more than 500 people occupying the building at any one time. The applicant's plan is to grow our total Sunday congregation attendance (including adults and children) to approximately 500. At which time, the intent is to split off approximately 100 individuals from the congregation to start a new church in another location. Thereafter, each time the 500-attendance mark is reached, approximately 100 people will be split off to start a new church elsewhere. Since the applicant's intent is to also the property located at 539 E. Weddell Drive, they are planning on using parking spaces from both locations to satisfy any parking needs as both buildings will not be used simultaneously.
