Traditional Summer Day Camps

Camp Quest camp staff

Our ultra-spirited, fun-filled camps, Crusade, Quest and Voyager, follow the classic traditional camp format of different crazy and fun activities each day. Camps are supervised by friendly, fun, energetic, caring, patient, approachable and well-trained staff. Age-appropriate activities include fun fitness and nutrition activities, games, sports, field trips, crafts, songs and much more! Field trip locations and days are subject to change. Both camps include a weekly walking trip to a Sunnyvale pool. **For additional recreation swim details visit *Swim.inSunnyvale.com.***

Campers need to bring a daily lunch, bottled water, two snacks and sunscreen. On recreational swim days please bring swim suit, towel and a dry change of clothes. Participants will receive one camp T-shirt for their first session of the summer. Additional camp shirts can be purchased at camp for $8.

Core Camp Days/Times: M-F, 9 a.m. – 5 p.m.

Extended care options are available with drop-off as early as 7:30 a.m. and pick-up as late as 6 p.m.

Camp Crusade – 10:1 Ratio (5 – 11 years)

Camp Crusade features fun indoor/outdoor recreational games, arts and crafts and goofy contests, as well as two recreational swim days at Washington Pool. Campers will be separated into appropriate age groups for certain games and activities. All participants need to bring a daily lunch, bottled water, two snacks and sunscreen. On recreational swim days please bring swimsuit, towel, and a dry change of clothes. Camp includes extended care hours.

Science/Technology Camps

LEGO® Engineering FUNdamentals (8 – 12 years)

Have your camper become a Play-Well Engineer! Build cities, bridges, motorized cars and planes. With access to over 100,000 pieces of LEGO®, campers build what they have only dreamed of, with the support of an experienced Play-Well engineering instructor.

Instructor: Play-Well TEKnologies
Location: Ponderosa Park

LEGO® Jedi Engineering NEW (5 – 7 years)

Young Jedi xplore worlds far, far away and engineering principles right in front of them. Defeat the Empire by designing and refining LEGO® X-Wings, R2-units and settlements on far-flung edges of the galaxy. Imagination and engineering combine to create motorized and architectural projects such as energy catapults, shield generators and defense turrets.

LEGO® Jedi Master Engineering NEW (8 – 12 years)

The Force is strong in this class. Campers build complex machines and structures based on the best designs from a galaxy far, far away. Projects include LEGO® X-Wings, AT-AT walkers, Pod Racers, Star Destroyers, Cloud Cities, settlements and fortresses. Play-Well's Jedi instructors reinforce key engineering concepts such as gear trains, worm drives, pneumatics, eccentric motion and more as students tap into the powerful forces of imagination and engineering.

LEGO® Mine, Craft, Build NEW (8 – 12 years)

Bring Minecraft to life using LEGO®. Build a motorized walking Creeper, a terrifying Ghast and a motorized Minecart. This project-based camp, designed by Play-Well instructors, combines the basic format of our core engineering-themed programs with the world of Minecraft. Students will explore real-world concepts in physics, engineering and architecture while building their favorite Minecraft objects. Students will have a blast, even without any prior experience with Minecraft or LEGO®.

LEGO® Robotics using LEGO® EV3 NEW (5 – 12 years)

Build and program robots using the new LEGO® Mindstorms EV3 system. Learn about mechanical and software design, loops, conditional statements, problem solving, and teamwork skills. Work in small groups to program and build your robot. Control the robot to avoid obstacles, pick up and carry objects and play sounds. Projects are structured so that students work in an open-ended, investigative environment while having fun.

Sciensational Camps Half Day/Full-Day Extended Care Options

For families looking for a full day of activities, pair morning and afternoon Sciensational camps and/or add extended care options for any of its camps this summer. For full-day campers, please send bottled water and peanut-free lunch and snacks each day. Half-day participants are expected to be picked up promptly at 12 noon, or dropped off no earlier than 1 p.m.

Advanced Robotics NEW (7 – 12 years)

Build and take home the Jungle Robot, an advanced level robot that includes a gear box. Campers see and learn how different types of gears mesh and are driven by a motor, and connect the motor, battery and microphone to a circuit board, which will program your sound-activated robot. There will be time in this camp for advanced robotics students to challenge their imaginations and skills as they work in small groups to build different robotic creatures and vehicles. Tires, motors, gears, wires and controllers are used to move these robots across the floor. After making trial runs, teams can modify their designs to increase their robot's capabilities before it is tested for speed, strength and endurance in Sumo battles, tug-of-war contests and time/distance tests. The robots built in this section of the workshop are not taken home. They are taken apart, so components can be reused to build yet another robotic creation.

All-Terrain Tracker Vehicle NEW (7 – 12 years)

How about some land rover excitement? Campers build and take home their very own All-Terrain Tracker Vehicle! It travels the rough terrain overcoming objects in its path. Test your vehicle on an obstacle course that includes sand, stones, twigs and balls. Compete against other robots in a timed race. Campers work in a group with new friends to design a robot they can control. Build a Sumo wrestler robot, and be part of our battle box events.

Blowfish Robocraft NEW (7 – 12 years)

Build a robot fish with big, puffy cheeks to take it home and try in a pool or bathtub. Test it at camp in our miniature pool. Our Blowfish Robocraft is propelled forward by a left/right moving tail fin and has a small motor. Campers learn about gears and circuits and how motors work, as they have fun building their Blowfish Robocrafts. You will also get to design and build other robots that can perform many tasks, including a car built for speed that can race on an obstacle course.

Crime Scene Investigation

Crime Scene Investigation (7 – 12 years)

Your child will become a super science sleuth, learning about forensics, crime scene investigations and crime lab chemistry as campers perform experiments designed to show how tricky cases are solved. Campers search for the evidence, gather clues and discover how science can help solve a mystery. Participants will dust for fingerprints, analyze handwriting, test for blood type using simulated blood, examine hair and clothing fibers, practice chemistry to identify mystery substances and much more. Participants will then use their skills to solve crimes of the century.

Hover Craft Camp NEW (7 – 12 years)

Would your child like to fly a toy he or she designed and built, instead of just a model you purchased at the toy store? Build and keep an air- powered Hover Craft, along with a car and an Egg-Drop Car. Campers learn about laws of motion, energy, air pressure, friction, lift, speed and acceleration as they build these toy vehicles.

Hyper Peppy Robotics (7 – 12 years)

You child can build and take home a Hyper Peppy Robot. It's sound-activated. Clap your hands to get it moving. It has a very sensitive touch/sound sensor. When it comes in contact with an object, it will automatically go into reverse and then turn left before embarking on a new course. It's fast! Adjust its sensitivity to sound. See first-hand the many gears, circuit board, microphone and easy-to-assemble mechanical drive system. Campers will build other robots in small groups and build confidence along the way.

Make It and Take It Home Camp NEW (5 – 11 years)

Campers will make and take home a wide assortment of toys designed to teach science concepts in a hands-on way. Grow and take home a crystal tree. Build an electric motor. Make glowing silly putty, and create green flubber. Plus, campers will learn some cool chemistry as they make their own sharpie pen T-shirt and create an energy bead bracelet, where those amazing beads turn from white to a rainbow of colors before their eyes. To end the week, campers will make ice cream in an incredible, different, Sciensational way! Camper must supply their own white 100% cotton T-shirt for camp activity.

Acting Camps

Movement-Based Acting Camp (7 – 14 years)

Acting uses your whole body! This process-oriented camp employs Anna Halprin's Tamalpa Life-Art technique, similar to method acting, to help young actors discover and convey a character's emotions. Class begins with a ballet-based warm up and meditative centering and incorporates modern dance, acting exercises, drawing, word play and other creative activities. Parents are invited to watch the final class meeting. First-time performers welcome. Wear comfortable clothes and dance shoes. Bring water bottle, snack and lunch that does not need to be refrigerated.

Magic Camps

Magic Wizards Camp

Magic Wizards Camp (7 – 11 years)

Make the doldrums disappear and find fun in their place at this Harry Potter-esque camp. Aspiring wizards will learn a variety of magic tricks, including mind-reading, optical illusions, basic sleight-of-hand and made or manufactured tricks. Students build confidence, creativity and fine motor skills through practice and performing. Participants receive a starter kit of magical items, including wand, wizard's hat, deck of cards, 102 E-Z Magic Tricks book and a selection of easy-to-perform tricks. Camp concludes with a magic show for parents on the final day. Non-refundable supply fee of $20 is due to instructor at first class meeting.

Teen Camps

Junior Startup Camps NEW (9 – 13 years)

Many great companies got their start in Sunnyvale. Be the next one! Now aspiring entrepreneurs can get a jump on the competition with Junior Startup Camp. Based on the Junior MBA (Media/Money and Business Awareness) curriculum, this three-camp series consists of Invention Camp, Marketing Camp and Business Camp. Sign up for all three, or the one that most interests your entrepreneur. Campers are grouped into "companies" with students of similar age and experience level. For an additional fee of $35, payable to the instructor at the first class meeting, campers can have their project memorialized in a video and entered into the Young Visionaries contest.

Invention Camp 8/3 – 8/7, 9 a.m. – Noon

Research and development teams brainstorm ideas for new products, improve inventions and learn about feasibility, Internet Protocol (IP) and Digital Rights. Plus, teams work on a challenge project to create a simple solar powered gadget, a crazy Halloween costume from everyday material or an elaborate Rube Goldberg-type machine to perform a simple task. Inventions are showcased on the last day of class.

Marketing Camp 8/3 – 8/7, Noon – 3 p.m.

Marketing teams work together to promote inventions made by Invention camp R&D teams. Learn basic marketing and communication concepts, analyze media messages and ads through games, projects, skits and many other fun activities. Teams create a marketing campaign and website, conduct customer interviews, build a commercial and create a marketing presentation. Each team's final presentation will be showcased the last day of class.

41 developmental assets

Teen Pioneer Camps give young people important opportunities to be of service to their community. In addition to building skills, teens develop a sense of empowerment when they discover that they can really make a difference. **(Asset # 9)**

Business Camp 8/10 – 8/14, 9 a.m. – Noon

Teams work together to get a student invention to market. Campers learn the basics of operations, manufacturing and finance, develop a business pitch and get funding. They also learn about different jobs within a company, write a resume and interview for teams. Finally, companies manufacture their product and compete in a tradeshow where they will take orders, sell products and pitch investors for more funding. Each team's final business presentation will be showcased the last day of class.

Entrepreneur Teen Camp NEW (12 – 14 years)

Give your teen a fun, hands-on introduction to the real world of business. This camp teaches basic business concepts to start their own part-time teen business ranging from a lemonade stand to a web design business. Your teen will gain communication, presentation and team working skills in this dynamic camp. At the end of the session, teens will walk away with a working business plan that they can take home and implement immediately.

SAT/ACT Prep Camp (12 – 18 years)

Learn strategies for both SAT and ACT to reach your best potential score for either of these tests. Effective lesson and practice units give the students a solid understanding of different types of SAT and ACT test questions as well as methods to analyze and answer each of those problems. Students are increasingly taking both tests and these two popular tests are merging in content and format. Take only one class that covers both, and find your best test fit! A material fee of $35 is applied.

Teen Pioneer Camps (11 – 18 years)

Middle school and high school teens venture into "real job" territory, developing practical skills and confidence that can help them land summer jobs as juniors and seniors, while still enjoying the fun of summer camp right now. Every week features a fun teen field trip and weekly recreational swim day, along with valuable training. Teens who participate in the Community Service Project weeks are eligible to receive service learning hours credit for their schools. Extended day options are available for families who need early drop-off or late pick-up.

Chill Week 6/22 – 6/26

Teen Pioneers kick off the summer by kicking around town, on field trips they help choose and plan. Teen choice field trips may include parks and local venues. Our highlight trip is Aqua Adventure Fremont Water Park.

Babysitting 6/29 – 7/02 (no camp 7/3)

Teen Pioneers become babysitters, with an opportunity to become an American Red Cross Certified Babysitter. Campers learn games to play with younger children, supervision skills and get coaching from Sunnyvale NOVA on how to market themselves to families who need sitters. Our highlight trip is Golfland.

Jr. Public Safety Officer Week 7/6 – 7/10

Teen Pioneers get an inside look at Sunnyvale's Department of Public Safety. Collaborate with our Public Safety offices on projects that serve the whole community. Our highlight trip is the Baylands Ropes Course and a BBQ.

Jr. Referee Week 7/13 – 7/17

Teen Pioneers team up with officials from local sports leagues to train as youth referees. Campers gain practical experience in basketball, and get coaching from Sunnyvale NOVA on how to market themselves to sports organizations that need youth referees year round. Our highlight trip is the Great Mall and a movie. Campers must be 13 years old to participate.
