Regarding Location	Crosswalk between Life's Garden and Sprouts		

Message At night, this crosswalk between the Life's Garden senior home and the shopping center at Sprouts/Sports Authority is extremely dangerous. The lighting in that area is really bad and it is very difficult to see pedestrians in the crosswalk. In addition, the most common pedestrians in that area are the senior citizens from Life's Garden who are typically slow to walk. I would suggest any/all of the following: 1. More/better lighting on the shopping center side of the crosswalk 2. Trim trees on the shopping center side of the street to allow for better pedestrian visability 2. Installation of the flashing bumps crosswalk, similar to what was installed at Evelyn/Murphy crosswalk. Thank you for your consideration. I feel it is just a matter of time before someone is seriously injured at this crosswalk. Thank you, Danni Emmett 535 S Bayview Ave Sunnyvale, CA 94086

Message Hi, I ride on Fremont ave to the peninsula on the weekends. I noticed that there is not enough time to cross intersections when the light chances after entering the intersection. I'm an average to fast rider. This is putting me in danger because drivers often accelerate when they see green. It is not acceptable to suggest we use the walk button. Thanks

Message We would like to invite you to participate in Hewlett-Packard's Bay Area Earth Day celebrations at the following campus: Thursday, April 25th 1140 Enterprise Way, building F Sunnyvale CA 94089 The Earth Day Organizational Fair provides employees education on environmental issues such as sustainability, conservation, and living green. The Earth Day Fair is during lunch (11:30am to 1:30pm) in the cafeteria. Typically we have between 300- 400 employees attend the event. Your organization is invited to staff a table at the fair. HP has a policy against solicitation on site so your table cannot be used to sell products. With that being stated, you may have a sign-up sheet for employees who are interested in receiving further information from you and you may also hand out business cards. Please confirm if you, plus another representative, can attend one or all events by replying to this email. You can also call using the phone number below. Please RSVP no later than March 16, 2012. Maps and more detailed information will be sent to you after March 31st. What you will need to bring: - table top set-up information and any handouts for about 100 people or more - a dolly, cart, box or other means to transport your items from your vehicle to café and back What we will provide: - site location information - reserved parking near the entrance for easy access - greeters to meet you and direct you to the Café dining room - a 4" (four foot) table + two chairs (please specify in your reply if you would like power and we'll do our best to accommodate) Arrival & departure: - We will ask that you arrive between 10:30-11:15am and be set up prior to the 11:30 am start time. Tear down is expected between 1:30-2:00pm that same day. You are an important part of our Earth Day celebration! Please don't hesitate to call or send me an email if you have any questions. I look forward to hearing back from you regarding your attendance. Your prompt response will be appreciated. Regards, Pascal Joly HP Bay Area Earth day Coordinator 916 5211017
