

January 2011 Development Update City of Sunnyvale

This development update lists *new* development that has occurred within the city in the last 2 years. It does not list additions, individual single-family homes, or tenant improvements. If you have any questions regarding specific projects, contact the planner listed in parentheses next to the project address.

Status of Projects

Pending: A project is considered to be pending after a completed application has been submitted and before an action has been taken.

Approved: Approved projects are ones that have been reviewed and approved by the Planning Division but have not yet been issued building permits.

Under Construction: A project under construction has been reviewed and approved by the Planning Division and Building Permits have been issued.

Completed: A project is considered to be complete after the final building permit inspection is approved.

* - Projects with the Art-in-Private-Development requirement
