**RE:** Presentation of Housing Mitigation Funding Proposals for Affordable Housing

---

Applicants for FY 2012-13 Housing Mitigation funds have been invited to briefly present their affordable housing proposals to the Commission. At this time, proposals are unavailable for review. Proposal submissions are not due until April 6, 2012.

This is a presentation only; no Commission action is required at this time. Commissioners will have additional opportunities to ask questions at the April meeting, prior to taking any action on funding recommendations.

At the Commission's April 25, 2012 regular meeting, staff will provide evaluations of each proposal's eligibility, completeness, proposed scores, and funding recommendations for the Commission's consideration. The Commission will hold a public hearing and recommend funding awards following deliberations on proposal evaluations, scores, and priority needs for Council's Budget Hearing in June. Applicants will be notified of the exact date once Council's June budget hearing schedule is confirmed. Conditional awards will be issued in July.
