Policy 7.4.2  Council Equipment, Material, and Supplies

POLICY PURPOSE:

It is the purpose of this policy to establish guidelines and standards regarding City resources and support for Councilmembers. This policy is supplementary to and in no way intended to conflict with the City Charter. For further information on this subject, see:

- City Charter, Section 807
- Code of Ethics and Conduct for Elected Officials (available on the City’s internal Web site or in the Office of the City Clerk)

POLICY STATEMENT:

I. Certain supplies and materials are required by Councilmembers to discharge their functions. The City Manager shall make available to Councilmembers the following materials and supplies when requested, which shall be used predominantly for City business and only incidentally for personal use:

   A. A key card programmed to access City Hall and a key to the Council conference room to be returned when a Councilmember leaves office.

   B. One file cabinet per four-year term, to be returned to or purchased from the City at market rate when a Councilmember leaves office.

   C. Customary office supplies and business cards for official City use. Individual Councilmembers shall have the choice of business cards with an embossed seal (white only) or color seal (non-embossed). Councilmembers shall not use business cards which do not reflect their official position or title (i.e., Mayor, Vice Mayor, or Councilmember) at the time of use.

   D. A technology allowance in the amount of $1,300 per Councilmember per four-year term for the purchase of equipment including, but not limited to, a personal computer, printer, laptop, personal digital assistant (PDA), answering machine, cell phone or fax. Equipment purchased with this allowance shall be consistent with standard City issue, or approved by the Director of Information Technology, and shall be returned to or purchased from the City at market rate when a Councilmember leaves office. An amount not to exceed $60 per month (non-taxable) shall be reimbursed for monthly service charges for equipment purchased under this policy. Public Record Act and Brown Act issues are associated with the use of these types of equipment. To the extent the equipment is used for the performance of official City business, much of the data contained in the equipment is public property and a public record.

   E. Newly elected and incumbent Councilmembers shall receive one City shirt per Council term year, style to be chosen by individual Councilmembers from
standard choices available. Newly elected Councilmembers will receive their first shirt in January following the certification of election results. A request for style preference will be sent to newly elected and incumbent Councilmembers in December from the Executive Assistant to the City Council in preparation of ordering shirts for the next calendar year.

F. Technical Support. Technical support to maintain and facilitate the use of equipment is limited to that required for official duties. Support will only be provided for equipment purchased in accordance with section I.E. of this policy, and only at the same level as is provided to City employees. Councilmembers must bring equipment to City facilities for repair or on-site maintenance.

II. Implementation.
The City Manager shall monitor those provisions of this policy within the City Manager’s Charter responsibilities. Disagreement in interpretation shall be resolved by the City Council. The City Manager shall institute administrative policy to implement this policy. At the time a new Councilmember is seated, the Mayor and City Manager should review this policy with him/her.

Annually, the City Manager shall review the resource requirements necessary to support the level of service specified in this policy, and recommend as a part of the proposed budget necessary changes of budget resources.
