

**Council Meeting: August 19, 2008**

**SUBJECT:** Request by Council for Continuance of **2007-0346** Extension of Sustainable Building Requirements Beyond Moffett Park (Study Issue)

**REPORT IN BRIEF**

The City Council requests a continuance of the Study Issue: Extension of Sustainable Building Requirements Beyond Moffett Park from the City Council meeting of August 19th, 2008 to the meeting of August 26, 2008 to assist with agenda management. Participants in the study have been notified of this change in schedule.

**PUBLIC CONTACT**

This item was previously noticed and continuance of this item in a public hearing serves as official notification to the public. However, staff will also send a courtesy public notice for the City Council meeting of August 26, 2008 to participants in the study.

**RECOMMENDATION**

Continue this item to August 26, 2008.
