Excess Surplus Information

Pursuant to Section 33080.7 and Section 33334.12(g)(1), report on Excess Surplus that is required to be determined on the first day of a fiscal year. Excess Surplus exists when the Adjusted Balance exceeds the greater of: (1) \$1,000,000 or (2) the aggregate amount of tax increment deposited to the Housing Fund during the prior four fiscal years. Section 33334.12(g)(3)(A) and (B) provide that the Unencumbered Balance can be adjusted for: (1) any remaining revenue generated in the reporting year from unspent debt proceeds and (2) if the land was disposed of during the reporting year to develop affordable housing, the difference between the fair market value of land and the value received.

The Unencumbered Balance is calculated by subtracting encumbrances from Net Resources Available. "Encumbrances" are funds reserved and committed pursuant to a legally enforceable contract or agreement for expenditure for authorized redevelopment housing activities [Section 33334.12(g)(2)].

For Excess Surplus calculation purposes, carry over the prior year's HCD Schedule C Adjusted Balance as the Adjusted Balance on the first day of the reporting fiscal year. Determine which is larger: (1) \$1 million or (2) the total of tax increment deposited over the prior four years. Subtract the largest amount from the Adjusted Balance and, if positive, report the amount as Excess Surplus.

10. Excess Surplus:

Complete Columns 2, 3, 4, & 5 to calculate Excess Surplus for the reporting year. Columns 6 and 7 track prior years' Excess Surplus.

24 . **Project Achievement and HCD Director's Award for Housing Excellence**

Project achievement information is optional but can serve important purposes: Agencies' achievements can inform others of successful redevelopment projects and provide instructive information for additional successful projects. Achievements may be included in HCD's Annual Report of Housing Activities of California Redevelopment Agencies to assist other local agencies in developing effective and efficient programs to address local housing needs.

In addition, HCD may select various projects to receive the Director's Award for Housing Excellence. Projects may be selected based on criteria such as local affordable housing need(s) met, resources utilized, barriers overcome, and project innovation/complexity, etc.

Project achievement information should only be submitted for one affordable residential project that was completed within the reporting year as evidenced by a Certificate of Occupancy. The project must not have been previously reported as an achievement.

To publish agencies' achievements in a standard format, please complete information for each underlined category below addressing suggested topics in a narrative format that does not exceed two pages (see example, next page). In addition to submitting information with other HCD forms to the State Controller, please submit achievement information on a 3.5 inch diskette and identify the software type and version. For convenience, the diskette can be separately mailed to: HCD Policy Division, 1800 3rd Street, Sacramento, CA 95811 or data can be attached to an email and sent to appropriate staff by inquiring of appropriate staff's name and email address by calling 916.445-4728.

Description

During the reporting year, construction of 12 homes was completed. _____ Enterprises, which specializes in community self-help projects, was the developer, assisting 12 families in the construction of their new homes. The homes took 10 months to build. The families' work on the homes was converted into "sweat equity" valued at \$15,000. The first mortgage was from CHFA. Families were also given an affordable second mortgage. The second and third mortgage loans were funded by LMIHF and HOME funds.

History

The _____ (City or County) of _____ struggled for several years over what to do about the _____ area. The _____ tried to encourage development in the area by rezoning a large portion of the area for multi-family use, and twice attempted to create improvement districts. None of these efforts were successful and the area continued to deteriorate, sparking growing concern among city officials and residents. At the point that the Redevelopment Agency became involved, there was significant ill will between the residents of the _____ and the (City or County). The _____ introduced the project in _____ with discussions of how the Agency could become involved in improving the blighted residential neighborhood centering on _____. This area is in the core area of town and was developed with disproportionately narrow, deep lots, based on a subdivision plat laid in 1950. Residents built their homes on the street frontages of _____ and _____ leaving large back-lot areas that were landlocked and unsuitable for development, having no access to either avenue. The Agency worked with 24 property owners to purchase portions of their properties. Over several years, the Agency purchased enough property to complete a tract map creating access and lots for building. Other non-profits have created an additional twelve affordable homes.

Agency Role

The Agency played the central role. The _____ Project is a classic example of successful redevelopment. All elements of blight were present: irregular, land-locked parcels without access; numerous property owners; development that lagged behind that of the surrounding municipal property; high development cost due to need for installation of street improvements, utilities, a storm drain system, and undergrounding of a flood control creek; and a low-income neighborhood in which property sale prices would not support high development costs. The Agency determined that the best development for the area would be single-family owner-occupied homes. The Agency bonded its tax increment to fund the off-site improvements. A tract map was completed providing for the installation of the street improvements, utilities, storm drainage, and the undergrounding of _____ Creek. These improvements cost the Agency approximately \$1.5 million. In lieu of using the eminent domain process, the Agency negotiated with 22 property owners to purchase portions of their property, allowing for access to the landlocked parcels. This helped foster trust and good will during the course of the negotiations. The Project got underway once sufficient property was purchased.

Agency: _____

NOTE: On this form, only report UNITS NOT REPORTED on HCD-D2 through HCD-D6 for project/program units that have not received any agency assistance. Agency assistance includes either financial assistance (LMIHF or other agency funds) or nonfinancial assistance (design, planning, etc.) provided by agency staff. In some cases, of the total units reported on HCD D1, a portion of units in the same project/program may be agency assisted (reported on HCD-D2 through HCD-D6) whereas other units may be unassisted by the agency (reported on HCD-D7).

The intent of this form is to: (1) reconcile any difference between total project/program units reported on HCD-D1 compared to the sum of all the project's/program's units reported on HCD-D2 through HCD-D6, and (2) account for other (nonassisted) housing units provided inside a project area that increases the agency's inclusionary obligation. Reporting nonagency assisted projects outside a project area is optional, if units do not make-up any part of total units reported on HCD-D1.

HCD-D7 Reporting Examples

Example 1 (reporting partial units): A new 100 unit project was built (reported on HCD-D1, Inside or Outside a project area). Fifty (50) units received agency assistance [30 affordable LMIHF units (reported on either HCD-D2, D3, D4, or D5) and 20 above moderate units were funded with other agency funds (reported on HCD-D6)]. The remaining 50 (privately financed and developed market-rate units) must be reported on HCD-D7 to make up the difference between 100 reported on D1 and 50 reported on D2-D6).

Example 2 (reporting all units): Inside a project area a condemned, historic property was substantially rehabilitated (multi-family or single-family), funded by tax credits and other private financing without any agency assistance.

NOTES:

1. Section 33413(b)(1), (2), and (4) require agencies to ensure that applicable percentages (30% or 15%) of all (market-rate and affordable) "new and substantially rehabilitated dwelling units" are made available at affordable housing cost within 10-year planning periods. Market-rate units: units not assisted with low-mod funds and jurisdiction does not control affordability restrictions. Affordable units: units generally restricted for the longest feasible time beyond the redevelopment plan's land use controls and jurisdiction controls affordability restrictions. Agency developed units: market-rate units can not exceed 70 percent and affordable units must be at least 30 percent; however, all units assisted with low-mod funds must be affordable. Nonagency developed (project area) units: market-rate units can not exceed 85 percent and affordable units must be at least 15 percent.

2. Production requirements may be met on a project-by-project basis or in aggregate within each 10-year planning period. The percentage of affordable units relative to total units required within each 10-year planning period may be calculated as follows:

$$\text{AFFORDABLE units} = \frac{\text{Market-rate} \times (.30 \text{ or } .15)}{(.70 \text{ or } .85)} \quad \text{TOTAL units} = \frac{\text{Market-rate or Affordable}}{(.70 \text{ or } .85) \quad (.30 \text{ or } .15)}$$

**Redevelopment Agency of the City of Sunnyvale
Blight Report for Year-End June 30, 2010**

The Redevelopment Agency of the City of Sunnyvale (the "Agency") took the following actions during the fiscal year ending June 30, 2010 to alleviate blight:

Town Center and Town and County properties – The Agency's revitalization activities have focused on establishing the downtown as a center of activity for the community. The Project Area continues to require redevelopment support, particularly the central area including the Town Center and Town and County properties. The Town Center Developer advised the Agency it would not be able to meet the construction loan when due. The lender filed for foreclosure and the Superior Court appointed a Receiver. The Town and Country property located adjacent to the Town Center project was also planned for redevelopment has also stalled.

The Agency has been working with the Bank and court-appointed Receiver in control of the Town Center project. The Town Center project together with the independent Macy's and Target stores includes a total of 1,000,000 square feet of retail, entertainment and restaurant space, 315,000 square feet of office space, 292 condos, a 200-room hotel and more than 5,000 parking spaces. The Receiver requested certain modifications to the development agreement that it believed were pre-requisites to obtaining a new qualified developer. The Agency also requested changes to the agreement. Significant time was spent revising language changes for the Town Center's amended development agreement. The Receiver and Agency negotiated modifications resulting in a new agreement.

The Agency also coordinated the services of various City divisions and departments to facilitate the completion the Town Center's priority infrastructure with curbs, sidewalks, landscaping, lighting and temporary signage allowing for the grand opening of a new Target store to further improve the entire project area.

Murphy Avenue Streetscape -The Downtown Murphy Avenue Streetscape Revitalization Project was completed in June 2010 and provides streetscape improvements for the 100 block of Murphy Avenue. The project was funded by grants from the Metropolitan Transportation Authority as well as the proceeds from the downtown land sale and Agency funds. The development supports a downtown that features easy public access via the recently renovated CalTrain station and VTA bus station which will encourage out of area shoppers to visit.

STATEMENT OF EXISTING OBLIGATIONS
AND PROGRAMS

1. This Statement is being prepared pursuant to Health & Safety Code Section 33334.6.
2. As of January 1, 1986, the Agency's outstanding obligations, all incurred in order to finance the Central Core Redevelopment Project, were as follows:
 - A. 1977 Tax Allocation Bonds - \$13,300,000
principal amount outstanding.
 - B. 1977 Parking Lease Revenue Bonds Series A, - \$10,130,000
principal amount outstanding
 - C. 1978 Parking Lease Revenue Bonds Series B, - \$9,925,000.
 - D. Repayment Agreement between the Agency and the City of Sunnyvale, providing for the Agency to repay the City, from available tax increments, the full amount of all City lease payments to the Agency under a Lease dated December 16, 1977, relating to the Bonds listed in (B) and (C) above, and other costs advanced to the Agency by the City.
3. (a) The remaining payments due under the Bonds are shown in the attachment to this statement. Since the Agency's tax increments have not, since 1977, been sufficient to pay in any year the full amount of the debt service on the three series of Bonds (A, B and C), the unreimbursed portion of the City's lease payments remains as a debt of the Agency to be paid under the Repayment Agreement whenever in the future tax increments are available. Therefore, since the amount of future tax increments is unknown, the Agency cannot calculate exactly when all the listed obligations will be paid.
 - (b) To comply with Section 33334.6(f)(3), the Agency makes the following estimates. Based on annual tax increment of \$2,032,764 (the amount in 1985-86), and annual administrative costs incurred by the City for the Agency, subject to repayment of \$4,637,863 (the amount in 1985-86), the obligations listed in Paragraph 2 would be fully discharged in 2007.

Section 3. The Agency hereby finds and determines that the obligations and programs contained in the Statement were issued, incurred or approved by the Agency before January 1, 1986.

Section 4. The Agency hereby finds and determines that one hundred percent (100%) of the taxes allocated to the Project is necessary in order to provide for the orderly and timely completion of the Project and payment of existing obligations.

Section 5. The Agency hereby finds and determines that the Agency will not deposit any of the taxes allocated to the Project into a Low and Moderate Income Housing Fund at least until all existing obligations are repaid.

Section 6. The Secretary of the Agency is hereby directed to transmit a certified copy of this resolution to the California Department of Housing and Community Development within ten (10) days following its adoption.

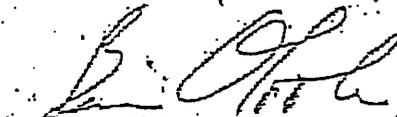

Section 7. The resolution shall take effect from and after its adoption and approval.

RESOLUTION NO. 124-10 RA

A RESOLUTION OF THE REDEVELOPMENT AGENCY OF THE CITY OF SUNNYVALE MAKING FINDINGS RELATED TO THE DEPOSIT OF FUNDS IN THE LOW AND MODERATE INCOME HOUSING FUND AND ADOPTING A LOW AND MODERATE INCOME HOUSING FUND DEFICIT REDUCTION PLAN

WHEREAS, pursuant to the California Community Redevelopment Law, constituting Sections 33000, *et seq.* of the California Health & Safety Code (the "Redevelopment Law"), the Redevelopment Agency of the City of Sunnyvale (the "Agency") adopted a redevelopment plan for the Central Core Redevelopment Project (the "Project") on November 26, 1975, as amended; and

WHEREAS, pursuant to Section 33334.6 of the Redevelopment Law, the Agency is required to deposit in its low and moderate income housing fund (the "Housing Fund") an amount representing not less than 20% of the taxes allocated to the Agency with respect to the Project pursuant to Section 33670 of the Redevelopment Law (the "Tax Increments"); and

WHEREAS, pursuant to Section 33334.6 of the Redevelopment Law, the Agency may deposit less than the required amount in its Housing Fund in any fiscal year to the extent that the Agency finds that the difference between the amount deposited and the amount required is necessary to make payments under existing obligations (as defined therein) incurred with respect to the Project and contained in a statement of existing obligations adopted prior to September 1, 1986; and

WHEREAS, the Agency approved its statement of existing obligations with respect to the Project by Resolution No. 195-86 adopted on August 26, 1986, and found therein that existing obligations (the "Existing Obligations") specified in such resolution might preclude the deposit of the required amount into the Housing Fund; and

WHEREAS, Section 33334.6 provides that if the Agency deposits less than the required 20% of Tax Increments in any fiscal year in the Housing Fund, the amount equal to the difference between the amount required and the amount deposited that year shall constitute an indebtedness of the Project until paid in full, payable from future Tax Increments; and

WHEREAS, for fiscal year 2010-11, the Existing Obligations of the Agency are such that the Agency will not be able to make any deposit into the Housing Fund and, as a result, the Agency must incur a deficit with respect to its Housing Fund deposits, as more fully set forth in the staff report accompanying and incorporated in this Resolution; and

WHEREAS, Section 33334.6 of the Redevelopment law provides that the Agency shall adopt a plan to eliminate such deficit in subsequent years as determined by the Agency; and

WHEREAS, the Agency has previously adopted a Housing Deficit Reduction Plan dated May 24, 1994, in order to provide for the timely payment of Existing Obligations issued by the Agency with respect to the Project and to eliminate any resulting deficit in the required deposits into the Housing Fund.

NOW, THEREFORE, BE IT RESOLVED BY THE REDEVELOPMENT AGENCY OF THE CITY OF SUNNYVALE THAT:

1. In fiscal year 2010-11, the Agency will require all of its tax increment revenue (estimated at roughly \$8.2 million) to make payment under Existing Obligations, more specifically for the servicing of bonds issued by the Agency and repayment of debt owed to the City by the Agency as set forth in Resolution No. 195-86. As a result, the Agency does not have any Tax Increments available, and does not propose to make any deposit into the Housing Fund for fiscal year 2010-11. The Agency hereby finds that the difference between the amount proposed to be deposited in the Housing Fund and the amount otherwise required to be deposited in the Housing Fund by Health & Safety Code Section 33334.6(c) is necessary to make payments under Existing Obligations of amounts due or required to be committed, set aside, or reserved by the Agency during fiscal year 2010-11 and will be used by the Agency for that purpose.

2. The amount that would otherwise be deposited to the Housing Fund for fiscal year 2010-11 shall be added to the Housing Fund deficit as set forth in the Housing Fund Deficit Reduction Plan.
