REPORT TO MAYOR AND COUNCIL

SUBJECT: Amendment to the Schedule of Pay of the Salary Resolution: Salary Adjustment for Pay Plan Category C (applies to Classified Public Safety Officers and Lieutenants) and Pay Plan Category D/E (applies to Public Safety Captains and Public Safety Deputy Chiefs) and Approval of Budget Modification No. 21

REPORT IN BRIEF
This report recommends amending Section 2.200 (Pay Plan Category C) and Section 2.300 (Pay Plan Category D/E) of the Schedule of Pay of the Salary Resolution to reflect the new pay rates for the following classifications, increased by the indicated percentages, effective retroactive to July 11, 2010: 2.65% Public Safety Officer II, 2.61% Public Safety Lieutenant, 2.61% for Public Safety Captains and Public Safety Deputy Chiefs. Pursuant to the Salary Resolution, the classification of Public Safety Officer-in-Training is set at 10% below Public Safety Officer II. The classification of Public Safety Officer I is set at 5% above Public Safety Officer-in-Training.

BACKGROUND
The 2006-2010 Memorandum of Understanding (MOU) with the Public Safety Officers’ Association (PSOA), extended to June 30, 2012, provides for salary adjustments for Public Safety Officers and Public Safety Lieutenants. Adjustments are to be based on the market survey data of total compensation for twelve (12) Bay Area cities and require that the City “provide such increase as needed to adjust the wages of Public Safety Officers and Public Safety Lieutenants eleven percent (11%) above” the survey average of the top eight (8) agencies.

The 2009-2013 Memorandum of Understanding (MOU) with the Public Safety Managers’ Association states that Public Safety Captains and Public Safety Deputy Chiefs are to receive the same percentage of salary increase as the Public Safety Lieutenant classification on the same effective date as the Public Safety Lieutenant and retroactive, if applicable.
EXISTING POLICY
The proposed increases are in accordance with the provisions of the current MOU between the City of Sunnyvale and the PSOA and current MOU between the City of Sunnyvale and the PSMA.

DISCUSSION
As noted when the current MOU was adopted, the previous MOUs with the PSOA established a wage formula based upon an annual market survey of total compensation for twelve (12) Bay Area cities. The formula provides for total compensation for Sunnyvale classifications to be eleven percent (11%) above the survey average of the top eight (8) surveyed agencies. Pursuant to the current MOU, the same methodology was used for this year’s survey.

This survey will be conducted again in 2011, using the same methodology, in order to determine the 2011 salary adjustments for PSOA and PSMA represented classifications.

The President of the Public Safety Officers Association has received the data on which the salary increases for the positions represented by PSOA are based, and has concurred with the results of the survey.

FISCAL IMPACT
The total cost of the salary increase for PSOA is $1,095,185. Of this amount, $535,506 was included in the Fiscal Year 2009/2010 base budget. As a result, a budget modification is required to appropriate an additional $559,679 to cover the unbudgeted portion of the PSOA increase.

In addition, the current agreement between the City and the Public Safety Managers’ Association (PSMA) stipulates that their annual salary increase is to match the amount implemented for Public Safety Lieutenants in PSOA. Based on this agreement, PSMA members have already received a salary increase of 2.87% earlier this fiscal year when PSOA received the increase they had deferred from FY 2009/2010. They are now due the 2.61% increase from the most recent salary survey. The cost of these two increases is partially offset by PSMA’s 3% contribution to the employee share of the CalPERS pension expense. A 2% increase was included in the recommended budget. As a result, a budget modification is required to appropriate an additional $32,395 to cover the unbudgeted portion of the increase for PSMA.

Budget Modification No. 21 has been prepared to appropriate $592,074 from the General Fund’s Budget Stabilization Fund to cover the full cost of these salary increases.
Also on the agenda for the December 7th Council meeting is the FY 2009/2010 Budgetary Year-End Financial Report, which presents the year-end financial condition of the City. In that report, the results indicate that the General Fund finished in better financial position than was estimated in the Recommended Budget by approximately $5.5 million. The improved position of the Budget Stabilization Fund as of the end of FY 2009/2010, as well as the corresponding increase to projected interest earnings resulting from the additional available funds, results in an additional $23 million in the Budget Stabilization Fund at the end of the 20-year period. When the costs of the required salary increases for PSOA and PSMA are incorporated into the updated General Fund Long-Term Financial Plan, approximately $25 million is consumed by the increase in costs and the decrease in interest earnings. This leaves the fund in worse position by approximately $2 million in comparison to what was projected in the FY 2010/2011 Adopted Budget.
