SUBJECT: Amended Resolution Calling for Special Municipal Election for Proposed Charter Amendments, on a Consolidated November 8, 2011 Ballot

REPORT IN BRIEF

On June 14, the Council voted to place two ballot measures for Charter amendments on the November 2011 ballot. The first Charter amendment proposes changing from a Council-selected to a directly-elected Mayor, with a 4-year term limit and a 8 year lifetime term limit as Mayor and service as Mayor considered a separate office and not counting toward Council term limits. The second proposed amendment would set Council and Mayor compensation at the current compensation of \$2,088.64 and \$2,784.86 for 2012, delete the current automatic 5% annual increase and provide for annual increases based on the Bay Area Consumer Price Index.

The ballot measure language on June 14 included the 8-year lifetime term limit but did not include the 4-year initial term limit for a directly-elected mayor. Although this will be included in the impartial ballot analysis, it is clearer to also include the 4-year term limit in the ballot measure language and can be done within the maximum word limit.

The only change in this RTC from prior Council action is to add the 4-year mayoral term to the ballot measure language.

BACKGROUND

Cities in California are either "general law" or "charter" cities. General Law cities have only those powers granted by state statute to cities. Article XI of the California Constitution authorizes the adoption of a city charter by the majority vote of a city's electorate. If adopted, the charter serves as the city's constitution and a blueprint for city government and ordinances. The City of Sunnyvale adopted its City Charter in 1949, and it has been amended fourteen times since its adoption. The voters last amended the Sunnyvale City Charter in 2007. The California Constitution establishes the requirements for both adoption and amendment of a city charter. The Sunnyvale City Council can, by a majority vote, put proposed Sunnyvale City Charter changes on the ballot for voter approval.

The Committee completed its review on changing to a directly-elected Mayor and Council compensation, and presented its Final Report and Recommendations to the City Council on May 10, 2011. On June 14, the Council approved two ballot measures for the November 2011 election. In an effort to comply with the word count limits for ballot measures the 4-year term for a directly elected mayor was not in the ballot language although the lifetime 8-year term limit was. To insure clarity, the ballot measure language can be amended to include the 4-year mayoral term and still comply with the maximum word limitation.

EXISTING POLICY

The City's existing Charter policies on selection of a Mayor and term and term limits are established by Sections 600, 601, 602 and 605.

The City's existing Charter policies on Council and Mayor compensation are established by Section 603.

DISCUSSION

After receipt of the Committee's Final Report and Recommendations, the City Council decided at the May 10, 2011, meeting which of the Committee's recommended changes to the Charter to approve, reject or modify to place on the ballot.¹ The Charter issues that Council voted to place on the November 2011 ballot are as follows:

A. Directly-Elected Mayor and Term and Term Limits

Shall Charter Sections 601, 602, and 605 be amended to change the current Council-appointed Mayor to a directly-elected Mayor for a 4 year term, to provide an 8-year lifetime term limit for a directly-elected Mayor, and to provide that service as Mayor is not counted toward Council term limits and a person can serve a combined total of 16 years as Mayor and Council member in a twenty-year period?

B. Council Compensation

In order to reduce future Council compensation increases, shall Charter Section 603 be amended to delete the current automatic 5% annual increase in Council compensation, to set the 2012 Council compensation at \$2,088.64 per month and Mayor compensation at \$2,784.86 per month, and to provide for annual cost of living adjustments tied to the Consumer Price Index not to exceed 5% or result in a decrease?

¹ The resolution and ballot measures need to be filed with the Registrar of Voters no later than August 12, 2011.

FISCAL IMPACT

The current estimate for the 2011 election is \$42,519 per Charter ballot measure. Actual costs could be higher or lower, depending on whether other jurisdictions share the special election costs and the number of Charter ballot measures selected by the Council.

If the Charter amendment on a directly-elected Mayor is approved by the voters, there should be no additional election costs in future years as the costs for the Mayor's seat will be the same as for a Council member. If an incumbent Council member runs for Mayor and is elected in the middle of the Council member's term, a special election to fill the Council seat vacated by the newly-elected Mayor will need to be held. The City is responsible for paying the costs of such a special election, if required.

If the Charter amendment on Council compensation is approved by the voters, there will be future cost savings if the future annual CPI increases are less than the current 5% increase in the Charter. The exact amount of savings will depend on the difference between the annual CPI and 5%. There will be a one-time cost savings of \$9,190.00 in 2012 based on setting the compensation at the 2011 base with the first increase in January, 2013. If the CPI remains below the current 5% automatic increase, savings will increase based on compounding. At the CPI average of approximately 2.2% for the last 5 years, it will take approximately 4 years to fully recover the costs of the ballot measure amending the Council compensation.

PUBLIC CONTACT

Public contact was made by posting the Council agenda on the City's official-notice bulletin board outside City Hall, at the Sunnyvale Senior Center, Community Center and Department of Public Safety; and by making the agenda and report available at the Sunnyvale Public Library, the Office of the City Clerk and on the City's website.

EXHIBIT "A" TO RESOLUTION NO. _____

PROPOSED AMENDMENTS TO THE
CITY CHARTER OF THE CITY OF SUNNYVALE

The City Council of the City of Sunnyvale, on its own motion, submits to the electors the following amendments to the City Charter of the City of Sunnyvale. The City Council has called a Special Municipal Election to be held on Tuesday, November 8, 2011, for the purpose of voting on the City Charter amendments.

The proposed amendments to the City Charter of the City of Sunnyvale follow the statement of the measures. The provisions of the City Charter proposed to be deleted are printed as ~~strike-out~~ type, and the new provisions proposed to be added to the City Charter are printed as underlined type.

CITY OF SUNNYVALE CHARTER MEASURE _____

Shall Charter Sections 600, 601, 602, and 605 be amended to change the current Council-appointed Mayor to a directly-elected Mayor for a 4-year term, to provide an 8-year lifetime term limit for a directly-elected Mayor, and to provide that service as Mayor is not counted toward Council term limits and a person can serve a combined total of 16 years as Mayor and Council member in a twenty-year period?

YES _____
NO _____

If Measure _____ carries, the City Charter of the City of Sunnyvale, shall be amended by amending Section 600, 601, 602 and 605, of Article VI (The Council), to read as follows:

Section 600. Elective Officers of the City. The elective officers of the City shall consist of a City Council composed of seven members, including the office of Mayor.

Section 601. Term and Election. Each member of the City Council and the Mayor shall be elected from the City at large at the General Municipal Election for a term of four years. The term shall commence at the first regular meeting in January, at which the City Council shall certify the election results, and shall continue until a successor is elected and qualified.

The office of each member of the Council and Mayor is a separate elective office to be separately filled at any election. The person elected at any election to the office designated "Mayor" shall be deemed elected both as Mayor and as a member of the Council. Although the Mayor is a Council member, his or her election does not change the number of Council members from seven.

No person shall be a candidate for both Mayor and a City Council seat at the same election. However, an incumbent member of the City Council may run for the elective office of Mayor, and the Mayor may run for the separate office of

Mayor or other City Council seat. At no time shall a member of the Council, including the Mayor, hold more than one City elective office.

The person receiving the highest number of all the votes cast for a particular elective office at any election shall be deemed and declared elected to that office.

Each Council seat shall be designated by a number from ~~1~~2 through 7 and shall be known as "Councilmember Seat Number ____." Commencing with the 2013 General Municipal Election, seat 1 shall be designated as the Mayor's seat. The designation given to each elective office shall be used in all elections, nomination papers, certificates of election, and all other papers pertaining to such office, and to designate the incumbent of such office.

Seats numbered ~~1~~, 2, and 3 shall be filled at the General Municipal Election held in ~~2013~~ 1977 and every fourth year thereafter. Seats numbered 4, 5, 6, and 7 shall be filled at the General Municipal Election held in 1979 and every fourth year thereafter. The Mayor's seat shall be filled at the General Municipal Election held in 2013 and every fourth year thereafter.

Section 602. Qualifications. No person shall be eligible to hold office as a member of the City Council unless he/she shall be a registered voter of the City at the time of his/her nomination or appointment.

No person shall be a candidate for more than one elective office.

No incumbent member of the Council shall be a candidate for a Council seat other than the one which that person then holds.

No person shall be eligible to serve as a member of the Council for more than two successive four-year elective terms. Any person who has served two successive four-year elective terms shall not serve again until at least four years have passed since that person last held office. Any person who fills an unexpired term of not more than two years in length shall, however, be eligible to serve two successive four-year terms after the expiration of the unexpired term which he/she filled. Any person who serves a four-year elective term and is either not re-elected or does not run for re-election for a second successive term is eligible to serve after two years have passed since that person last held office as a Councilmember but is not eligible to run for a second successive term. Any person may serve as a Councilmember for eight years in any twelve-year period, unless appointed to serve an unexpired term of less than two years in length as provided in this section.

The office of elected Mayor, to be filled from the City at large, is a separate office from the Council and solely for purpose of term limits is not a Council office nor Council. Consequently, time served in such office of elected Mayor is not time served on the Council and time served on the Council is not time served in such office of elected Mayor.

No person shall be eligible to serve as Mayor for more than two four-year elective terms in a lifetime. Any person may serve as a Councilmember and Mayor for a total of sixteen years in any twenty-year period, unless appointed to serve an unexpired term of less than two years in length as a Councilmember as provided in this section.

Section 605. Presiding Officer. Mayor. ~~At the first regular meeting in January, at which the City Council shall certify the election results, following each General Municipal Election, and at the first regular meeting in January every~~

He/she shall perform such other duties as may be prescribed by this Charter or as may be imposed by the City Council consistent with his/her office. The Mayor shall serve in such capacity for a term of two years from and after which the appointment is made, and until a successor is selected; provided, that a person can continue to serve in the capacity of Mayor only while that person remains as a member of the City Council.
~~The office of Mayor shall become and be deemed vacant immediately upon the incumbent ceasing to be a member of the City Council.
