SUBJECT: Amendment of the City’s Contribution for CalPERS Medical Insurance for Management, SEA and SEIU Annuitants (Retirees)

BACKGROUND
The Public Employees Medical and Hospital Care Act (PEMHCA) is part of the California government code and directs the administration of the CalPERS health program. PEMHCA regulations require that medical insurance contributions for retired annuitants paid for by a contracting agency be equal to the medical insurance contributions paid for its active employees. Additionally, PEMHCA regulations require that a contracting agency file a resolution, adopted by its governing body, with the CalPERS Board of Trustees, establishing any new contribution rate.

EXISTING POLICY
In accordance with Article 8 of PEMHCA, the City’s contract with CalPERS provides that the City’s contribution towards medical insurance (and the effective date of said contribution) be the same for active employees and retirees.

DISCUSSION
The current SEA and SEIU Memorandum of Understanding provide for annual increases in the City’s contribution toward medical coverage for active employees; additionally, Article 5.505 of the Salary Resolution provides that effective January 1st of each year, the City’s contribution for medical coverage for active management employees shall be no less than the highest City contribution for any of the represented employee groups. As a result of these provisions and in order to meet the CalPERS requirement that the City’s medical contribution be the same amount for employees and retirees, the City’s contribution to CalPERS for retiree medical coverage needs to increase.

Effective January 1, 2013, the City contribution for medical coverage for retirees in Management will be $668.63, an increase of $45.05 per retiree per month. The City contribution for SEA retirees will be $654.76 a month, an increase of $31.18 per retiree per month. The City contribution for medical coverage for retirees in SEIU will be $360.13, an increase of $17.16 per retiree per month.
FISCAL IMPACT
The cost of this amendment has been provided for in the 2012/2013 budget.

Public contact was made by posting the Council agenda on the City's official-notice bulletin board outside City Hall, at the Sunnyvale Senior Center, Community Center and Department of Public Safety; and by making the agenda and report available at the Sunnyvale Public Library, the Office of the City Clerk and on the City's Web site.

ALTERNATIVES

RECOMMENDATION
Staff recommends to adopt the resolution amending the City’s contribution for medical insurance with CalPERS in compliance with PEMHCA, and to amend the Salary Resolution to reflect the change in contribution for Management, SEA and SEIU annuitants. No other alternative is recommended. The City is obligated to comply with the CalPERS contract and negotiated MOU’s.
