400 - 840 W California Ave

FOOD TRUCKS

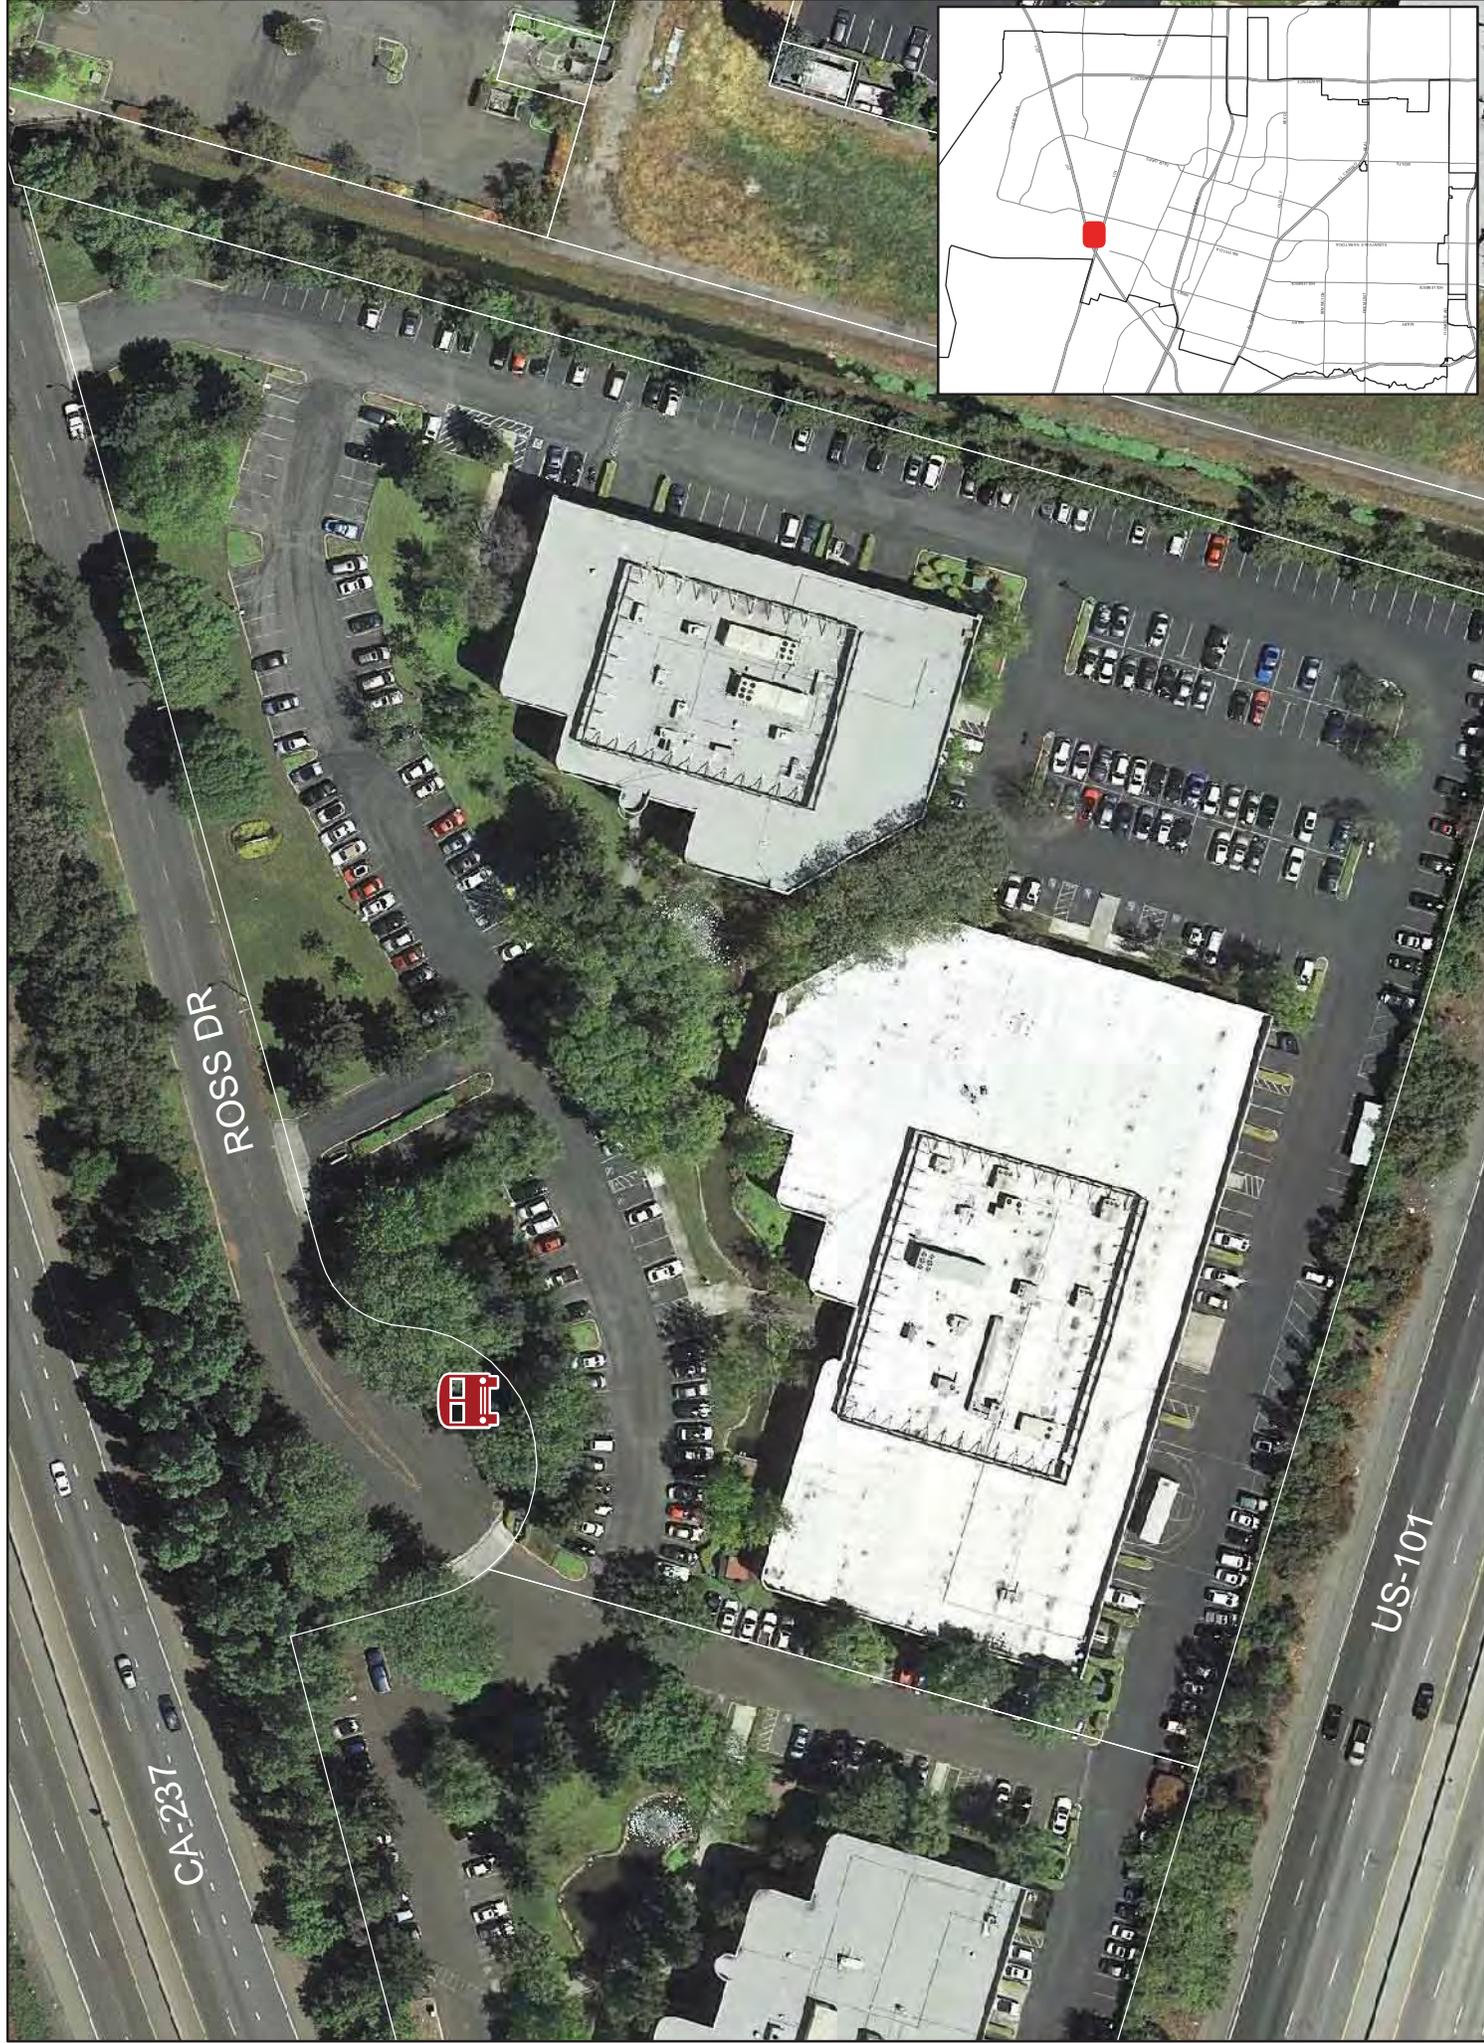

Current Locations

400 – 840 W California Ave (Libby Can Tower Site)

- **Private property** – LARGE industrial/office campus
- LOTS of parking spaces available at this time
- Various locations on site
- Each truck parks across 3-4 parking spaces
- Other catering trucks visit the property, but only stay for a short amount of time (i.e. Lee's)
- Approximately half of the patrons are employees on site and half are from off-site
- Off-site patrons tend to leave right after receiving order
- *One group of patrons had a folding table with them, which they set up to eat on. Took up one parking space.*

FOOD TRUCKS

Current Locations

892 Ross Dr.

- **Public street**, at the end of the cul-de-sac
- Patrons are lined up and waiting on the landscaped buffer area
- Landscaped buffer area has signs of damage
- Property located at 892 Ross Dr. has a shallow front parking lot, and most parking spaces seem to be taken. There are many more parking spaces behind the building, which are mostly vacant.
- Most patrons seem to be from off-site
- Street parking available
- Truck has a fan that is very loud, but proximity to freeway drowns out the noise
