Members of the public

Call to Order:

Vice Mayor Whittum called the meeting to order at 6:05 p.m.

Study Session Summary:

The staff presentation was made by Director of Public Works, Kent Steffens and PG&E Government Relations Representative, Tamon Norimoto.

Director Steffens provided background information and overview of how the study issue was generated, purpose of study session and provided an update on PG&E's involvement.

City Manager, Gary Luebbers framed the purpose of the presentation.

PG&E representatives provided an overview of substations serving the Moffett Park area and Sunnyvale. Included was the history of power issues and investments PG&E has made to improve power quality & reliability.

Executive Director, Moffett Park Business Group, Kerry Haywood provided input from the business community on improved working relationship with PG&E, and expressed the importance that the communication must continue.

Council asked questions of staff and PG&E representatives. Several comments and questions were addressed.

Adjournment:

6:56 p.m.

Respectfully submitted,
Kent Steffens, Director of Public Works
