SUBJECT: Award of Contract for Design of the Orchard Gardens Park Expansion (F13-44)

BACKGROUND
Approval is requested to award a contract in the amount of $156,960 for the design of the Orchard Gardens Park expansion. Approval is also requested for a 10% design contingency in the amount of $15,696.

DISCUSSION
Orchard Gardens Park is located at 238 Garner Drive, just northeast of the Highway 101 and N. Mathilda Avenue interchange at the western terminus of the John W. Christian Greenbelt. The park is approximately 2.5 acres and consists of a building with restrooms and a meeting room, two tennis courts, a basketball court, two play areas, benches, barbeques, pathways, landscaping and an open area.

The City of Sunnyvale currently owns three housing lots on Garner Drive adjacent to Orchard Gardens Park. The three properties were each purchased separately, starting in 1980, with the intent to eventually demolish the three homes and expand the park to provide approximately 1/3 of an acre of additional open space for the neighborhood, thereby creating a “gateway” to the Greenbelt. This expansion will likely reduce vandalism to the existing park infrastructure by creating more visibility to the interior of the park from the street. The recommended contract, resulting from a Request for Proposals process, consists of design and preparation of bid documents for demolition of the three homes and construction of new park amenities.

Neighborhood input is expected to be an important part of the design process, and so the project scope includes a public outreach component. Two meetings are planned in which the neighborhood, park users group, and other stakeholders will have the opportunity to provide input regarding desired design elements for the project and select a preferred conceptual design. Possible amenities for consideration for the new open space include landscaping, benches, lighting, concrete pathways and parking.

The selected conceptual design will then be presented to the Parks and Recreation Commission and City Council for approval before detailed design continues. No improvements to the existing park are anticipated as part of this
project; however, the existing overhead utility lines within the project limits will be evaluated for removal or relocation as part of the design process.

The demolition and disposal of a City-owned building located at 775 Dona Avenue, which is outside the Orchard Gardens Park Expansion Project boundaries, has been combined with this project because of the similar nature of work involved. The building was deemed uninhabitable in 2000 and has recently been broken into and is considered an attractive nuisance.

Request for Proposal (RFP) specifications were prepared by Public Works and Purchasing Division staff, and RFP No. F13-44 was posted on the Onvia Demandstar public procurement network and on the City’s web site. Fifty one (51) firms requested RFP documents. Sealed proposals were publicly received on March 6, 2013. Six responsive proposals were submitted as follows:

- Creo Landscape Architects, of San Francisco: $127,124
- Siegfried Engineering, of San Jose: $129,911
- Golden Associates, of Oakland: $150,000
- Harris Design, of Berkeley: $168,200
- SSA Landscape Architects, of Santa Cruz: $256,418
- PGA Design, of Oakland: $260,656

Proposals were evaluated and ranked by an evaluation team consisting of Parks and Engineering Division staff. The three highest ranked proposers, Golden Associates, Harris Design, and SSA Landscape Architects were invited for interviews with the evaluation team. Harris Design was selected as the highest ranking proposer based on their creative design approach, the skill and experience in their team for demolition projects, including dealing with potential hazardous materials, and their ability to fit the aggressive timeline for design as requested by the City in the RFP document. Subsequent negotiations with Harris Design reduced their project fees from $168,200 to $156,960 without compromising the project design work scope.

**FISCAL IMPACT**

Project costs are as follows:

- Project design (including bidding and construction support): $156,960
- Design contingency (10%): $15,696
- Total cost: $172,656

Budgeted funds are available in Capital Project 829570 (Orchard Gardens Park Expansion), funded by the Park Dedication Fund.

**PUBLIC CONTACT**

Public contact was made by posting the Council agenda on the City’s official-notice bulletin board outside City Hall, at the Sunnyvale Senior Center,
Community Center and Department of Public Safety; and by making the agenda and report available at the Sunnyvale Public Library, the Office of the City Clerk and on the City's Web site.

**RECOMMENDATION**

It is recommended that Council:

1. Award a contract, in substantially the same format as the attached draft and in the amount of $156,960, to Harris Design for the subject project, and authorize the City Manager to execute the contract when all the necessary conditions have been met; and

2. Approve a 10% design contingency in the amount of $15,696.
