SUBJECT: Discussion and Possible Action on a Resolution to Initiate the Annexation Process for Two Island Areas Located within the City of Sunnyvale Urban Service Area but Currently under the County of Santa Clara’s Jurisdiction (Central Expressway and Butcher’s Corner).

BACKGROUND
On May 21, 2013 the City Council authorized the Mayor and City Manager to sign the Santa Clara County Island Annexation Mapping Request Form to initiate the annexation process for two island areas located within the City of Sunnyvale Urban Service Area but currently under the County of Santa Clara’s jurisdiction (Central Expressway and Butcher’s Corner); RTC 13-124.

The Local Agency Formation Commission (LAFCO) of Santa Clara County and the County of Santa Clara Planning Division are encouraging the City of Sunnyvale to annex island areas that are currently unincorporated but within the Urban Service Area (USA) of Sunnyvale. Staff recommends the City Council adopt the resolutions (Attachments A & B) to initiate the annexation for two island areas located within the City of Sunnyvale Urban Service Area but currently under the County of Santa Clara’s jurisdiction (Central Expressway and Butcher’s Corner).

EXISTING POLICY
Land Use and Transportation Element
Policy LT-4.1 – Protect the integrity of the City’s neighborhoods; whether residential, industrial or commercial.

Housing Element
Goal HE-4 Adequate Housing Sites – Provide adequate sites for the development of new housing through appropriate land use and zoning to address the diverse needs of Sunnyvale’s residents and workforce.

CEQA REVIEW
The annexations are categorically exempt from CEQA (Guideline 15319(a)) as they result in the annexation of existing facilities developed to the density allowed by the current zoning or pre-zoning of either the gaining or losing governmental agency (whichever is more restrictive).
**DISCUSSION**

Staff has received the necessary documentation from LAFCO (Attachment C & D) to process the annexations for two island areas (Central Expressway and Butcher’s Corner).

The following steps are required to complete the annexation of the island areas into the City of Sunnyvale’s USA:

1. A public hearing to adopt resolutions to initiate the annexation process for two sites (*action associated with this RTC*).
2. A second public hearing to adopt a resolution approving the annexations.
3. Sending the signed resolutions to LAFCO.
4. Recordation of Certificates of Completion (within 7-10 days after receiving the resolution) by LAFCO. This step results in the properties formal incorporation into the City of Sunnyvale.

Also incorporated in the attached resolutions (Attachments A & B) are detachments from certain utility districts in which the parcels are currently served. This action will result in the parcels being served by the City of Sunnyvale’s utility districts once the annexation is formalized.

**Central Expressway Island Area**

The first site is a 4.3 acre segment of Central Expressway (Attachment C) known as SV01 on the LAFCO letter (Attachment E). This site is (and will continue to be) owned and maintained by the County of Santa Clara. The annexation of this site merely cleans up the incorporated area within the USA boundary for Sunnyvale.

To the north of this site are properties within the City of Mountain View; Residential Mobile Home (RMH) and Medium Density Residential/Planning Development (R-3/PD) zoned properties within the City of Sunnyvale are to the south. Since the road is public right-of-way, and will remain as such, it does not need to be designated under a specific zoning district.

**Butcher’s Corner Island Area**

The second island site, SV03 (Attachment D), is 5.3 acres and referred to as Butcher’s Corner by City staff. This site contains six parcels and is currently developed with two residential homes, several accessory structures and an orchard. Four of the parcels within this island site are owned by the Butcher family with the remaining two parcels being City owned, adjacent to the public right-of-way and developed with asphalt paving adjacent to the sidewalk.

The four parcels owned by the Butcher family have been pre-zoned Residential Medium Density/Precise Plan for El Camino Real (R-3/ECR) and designated Residential High Density (RHI) in the General Plan. The site is also designated as a Node in the Precise Plan for El Camino Real. The two City-owned parcels have been pre-zoned Residential High Density/Precise Plan for El Camino Real...
(R-4/ECR) and designated Residential High Density (RHI) in the General Plan. No action to change the General Plan designation or rezone the parcels is necessary with the annexation.

**FISCAL IMPACT**
The County of Santa Clara has agreed to waive all fees related to the annexation of these island parcels because they wish to incorporate the land into the appropriate USA. As the County and LAFCO are preparing the documentation needed to process the annexations, minimal staff time should be required. Once the properties (Butcher parcels only) are annexed into the City, the City will receive property taxes and utility user tax. Because the properties are essentially agricultural (including two homes) and have been owned by the same family for well over 100 years, these revenues are minimal.

**PUBLIC CONTACT**
Public contact was made in the following ways:
1. Posting of the Council agenda on the City's official-notice bulletin board outside City Hall, at the Sunnyvale Senior Center, Community Center and Department of Public Safety;
2. Making the agenda and report available at the Sunnyvale Public Library, the Office of the City Clerk and on the City's Web site;
3. Publication of a notice in the newspaper 21 days prior to both hearings; and,
4. Meeting notices were sent to all property owners within 300 feet of the parcels to be annexed into the City.

In addition, staff has discussed the annexation with representatives from the Butcher family who have indicated that the family has no objection to the City proceeding with the annexation of their properties.

**ALTERNATIVES**
1. Adopt the resolutions to initiate the annexation process and set the next public hearing date for two island areas located within the City of Sunnyvale Urban Service Area but currently under the County of Santa Clara's jurisdiction (Central Expressway and Butcher's Corner).
2. Do not adopt the resolutions and take no further action on the annexations at this time.
RECOMMENDATION
Staff recommends the City Council adopt the resolutions (Attachment A & B) to initiate the annexation for two island areas located within the City of Sunnyvale Urban Service Area but currently under the County of Santa Clara’s jurisdiction (Central Expressway and Butcher’s Corner).

RE: Status of Unincorporated Lands within the City of Sunnyvale’s Urban Service Area Boundary (i.e. Unincorporated Islands)

Dear Mr. Hom:

In late October 2010, the Local Agency Formation Commission (LAFCO) of Santa Clara County directed its staff to develop an inventory of the remaining unincorporated islands and to report back to the Commission on each city’s plans regarding its islands.

Three Unincorporated Islands Remains in the City of Sunnyvale

The City has three unincorporated islands within its Urban Service Area (USA). See table below and attached maps.

Annex Islands that Qualify for the Streamlined Annexation Process

Island SV01 consists of a segment of Central Expressway. Island SV02 consists of a segment of the Caltrain/Union Pacific railroad tracks and right-of-way. Island SV03 consists of residential development. All three islands are eligible for annexation through the streamlined annexation process. Islands such as these are substantially developed.
and create inefficiencies / confusion in terms of provision of emergency and other municipal services. Furthermore, residents of such islands are politically disenfranchised from the city government that surrounds them.

Annexation of such islands is a high priority for LAFCO and the County. In order to encourage these annexations, LAFCO continues to waive its fees for island annexations and the County continues to provide financial incentives including covering the costs for preparing Assessor and Surveyor reports and maps, paying the State Board of Equalization filing fees, and budgeting for road improvements in islands approved for annexation. As you may be aware, the law streamlining the annexation process for qualified unincorporated islands sunsets on January 1, 2014.

We encourage the City to take advantage of this process and the incentives currently being offered by both the County and LAFCO for such annexations. Please provide us with an update on the City’s plans and time-line for annexing these three islands.

A Response from the City is Greatly Appreciated

LAFCO staff is willing to work with and assist the City in resolving these island issues. We would appreciate knowing the City’s annexation and/or urban service area amendment plans for these islands as soon as possible and no later than June 10, 2011. If you have any questions or concerns or would like to meet to discuss the City’s plans, I can be reached at (408) 299-5127 or at neelima.palacherla@ceo.sccgov.org or you may contact Dunia Noel, LAFCO Asst. Executive Officer, at (408) 299-5148/ dunia.noel@ceo.sccgov.org. Thank for you for your time and consideration.

Sincerely,
