Council Meeting: September 24, 2013

SUBJECT: Approve Budget Modification No. 12 to Appropriate $31,320 of Department of Homeland Security, State Homeland Security Grant Program Funds for Equipment

GRANT SUMMARY
On August 29, 2013, the City Manager signed the Memorandum of Understanding (MOU) allowing the Department of Public Safety (DPS) to request and accept Federal Fiscal Year (FFY) 2012 grant funds from the State Homeland Security Grant Program (SHSGP) for equipment to finish build-out on the Specialized Tactical Emergency Vehicle. SHSGP is the program through which funding from the U.S. Department of Homeland Security (DHS) is provided to Santa Clara County as one of DHS’ designated operational areas.

SHSGP grants are used to address the Santa Clara County operational area’s identified needs for responding to acts of terrorism or catastrophic events. Funded activities include planning, organization, equipment, training, and field exercises. Grant guidelines require each operational area to appoint an Anti-Terrorism Approval Body (known as the Approval Authority). This body makes the final determination on the operational area’s allocation of SHSGP grant funds. The Approval Authority consists of the County Sheriff, County Public Health Officer or designee responsible for Emergency Medical Services, County Fire Chief or Chief Fire Authority, a Municipal Fire Chief, and a Chief of Police. The Santa Clara County Fire Chief’s Association selects the municipal fire chief representative, and the Santa Clara County Police Chief’s Association selects the chief of police representative.

The Approval Authority is assisted by the Santa Clara County Homeland Security Training & Exercise Grant Program Advisory Group (known as the Advisory Group). This group administers and allocates the training and field exercise grants. DPS annually submits requests for training, equipment, and field exercises. All requests are considered within the context of the operational area’s assessed needs.

The Bureau of Fire Services, Division of Fire Operations will be responsible for managing the operational functions of the grant. The Bureau of Special Operations, Division of Strategic Services will manage the financial aspects.
Granting Agency
Santa Clara County SHSGP Approval Authority.

**EXISTING POLICY**

**Council Policy 7.1.5 Donations, Contributions and Sponsorships:**
The City Manager may apply for grants of any dollar amount, but shall notify the Council when grants are being pursued. Council approval of a budget modification to appropriate grant monies is required before funds can be expended by staff. Such a budget modification shall include the use to which the grant would be placed; the objectives or goals of the City which will be achieved through use of the grant; the local match required, if any, plus the source of the local match; any increased cost to be locally funded upon termination of the grant; and the ability of the City to administer the grant. For grants under the amount of $5,000 that do not have any external reporting requirements or any local match requirement, Council approval of a budget modification is not required. The City Manager is authorized to accept and administratively appropriate the grant funds.

This grant does not meet all of the criteria to be administratively appropriated by the City Manager; therefore a budget modification is required. Grant funds from DHS have external reporting requirements and fall under the federal single audit guidelines.

**Sunnyvale General Plan**

**Goal SN-3, Safe and Secure City**
Ensure a safe and secure environment for people and property in the community by providing effective public safety response, prevention, and education services.

**FISCAL IMPACT**
Expenditures for SHSGP approved procurement of equipment are reimbursable up to a cumulative total of the $31,320 appropriation. Equipment will include a MVAR; ruggedized laptop, mobile and portable radios, remote authentication software; portable lighting and generator; and identification vests for incident command personnel.

**Required Local Match**
NONE

**Increased Cost To City Upon Grant Termination**
DPS worked with the Finance Department and the Information Technology Department to determine the items that may need to be maintained with City resources. Only the MVAR and laptop computer fit the criteria. These two items have a useful life of five years. At that time, DPS will seek grant funds to replace both the MVAR and laptop computer. If grant funds cannot be leveraged, DPS will work with Finance and ITD to determine a way to replace
those items without impacting the budget. Grant funds will be sought to replace the other equipment as items reach the end of their useful lives.

Budget Modification No. 12 has been prepared to appropriate Department of Homeland Security, State Homeland Security Grant Program Funds for Training in the amount of $31,320 to a new project, FFY 2012 SHSGP – Equipment – Special Tactical Emergency Vehicle.
