Gymnastics

We ask family & friends to remain outside the gym during class time to avoid distractions for our students, except for the following: 1) At least one parent is required to remain present near and possibly observe in any class where only one staff member is coaching, 2) the parents of new students may stay during the first class of each session, 3) when a coach allows or invites a parent to stay. All are invited to observe the last class of each session and non-participating siblings must be supervised at all times during observation. Thank you for your cooperation.

A parent is required to participate in assisting the enrolled child, under the direction of the teacher. Only 1 participating child per parent. Siblings are not allowed in the gym during class time.

All are invited to observe the last class of each session and non-participating siblings must be supervised at all times during observation. Thank you for your cooperation.
