Driver's Education

(14+)

Driver's Education is a life skill class. There is no substitute for the student-teacher interaction, discussion, video analysis and instant feedback that takes place in the classroom. This course meets the State of California requirement to obtain a driver's instruction permit. The class is 30 hours long and does not include behind-the-wheel instruction. Upon completion of this course student will receive a certificate of completion of classroom driver education. Students must attend all sessions in order to receive the DMV completion certificate. Students must be 15 1/2 to get an instruction permit. A lunch break is provided. Bring a bag lunch.

Entrepreneur Teen Camp

(12 – 14 years)

Give your teen a fun, hands-on introduction to the real world of business. This camp teaches basic business concepts to start their own part-time teen business ranging from a lemonade stand to a web design business. Your teen will gain communication, presentation and team working skills in this dynamic camp. At the end of the session, teens will walk away with a working business plan that they can take home and implement immediately.

Junior Startup Camps

(9 – 13 years)

Many great companies got their start in Sunnyvale. Be the next one! Now aspiring entrepreneurs can get a jump on the competition with Junior Startup Camp. Based on the Junior MBA (Media/Money and Business Awareness) curriculum, this three-camp series consists of Invention Camp, Marketing Camp and Business Camp. Sign up for all three, or the one that most interests your entrepreneur. Campers are grouped into "companies" with students of similar age and experience level. For an additional fee of \$35, payable to the instructor at the first class meeting, campers can have their project memorialized in a video and entered into the Young Visionaries contest.

Invention Camp

Research and development teams brainstorm ideas for new products, improve inventions and learn about feasibility, Internet Protocol (IP) and Digital Rights. Plus, teams work on a challenge project to create a simple solar powered gadget, a crazy Halloween costume from everyday material or an elaborate Rube Goldberg – type machine to perform a simple task. Inventions are showcased on the last day of class.

731110.1A	9 – 13	8/3 – 8/7	M – F	9:00 a.m. – 12:00 p.m.	\$210/\$260

Marketing Camp

Marketing teams work together to promote inventions made by Invention camp teams. Learn basic marketing and communication concepts, analyze media messages and ads through games, projects, skits and many other fun activities. Teams create a marketing campaign and website, conduct customer interviews, build a commercial and create a marketing presentation. Each team's final presentation will be showcased the last day of class.

731110.1P	9 – 13	8/3 – 8/7	M – F	12:00 p.m. – 3:00 p.m.	\$210/\$260

Business Camp

Teams work together to get a student invention to market. Campers learn the basics of operations, manufacturing and finance, develop a business pitch and get funding. They also learn about different jobs within a company, write a resume and interview for teams. Finally, companies manufacture their product and compete in a tradeshow where they will take orders, sell products and pitch investors for more funding. Each team's final business presentation will be showcased the last day of class.

SAT/ACT Prep Camp

(12 – 18 years)

Learn strategies for both SAT and ACT to reach your best potential score for either of these tests. Effective lesson and practice units give the students a solid understanding of different types of SAT and ACT test questions as well as methods to analyze and answer each of those problems. Students are increasingly taking both tests and these two popular tests are merging in content and format. Take only one class that covers both, and find your best test fit. A material fee of \$35 is applied.

Teen Pioneer Camps (11 – 18 years)

Middle school and high school teens venture into “real job” territory, developing practical skills and confidence that can help them land summer jobs as juniors and seniors, while still enjoying the fun of summer camp right now. Every week features a fun teen field trip and weekly recreational swim day, along with valuable training. Teens who participate in the Community Service Project weeks are eligible to receive service learning hours credit for their schools. Extended day options are available for families who need early drop-off or late pick-up.

Chill Week

Teen Pioneers kick off the summer by kicking around town on field trips they help choose and plan. Teen choice field trips may include parks and local venues. Our highlight trip is Aqua Adventure Fremont Water Park.
