Magic Wizards Camp

**Sorcerers Camp** **\$20** (7 – 11 years)

Campers asked for more magic, and presto! This camp features a full week of easy-to-do magic tricks, but all completely different from Magic Wizards Camp, so enthusiastic magicians can take either or both camps. Discover how to make an object disappear and 'how to read a mind' through an encouraging, step-by-step method. Develop presentation skills so you can put on your own magic shows. Campers receive a wand, wizard's hat and a selection of easy-to-perform tricks.

**LEGO®**

**LEGO® Engineering Challenge** (9 – 12 years)

Create a massive machine in the style of a Rube-Goldberg invention. Learn how to build a variety of motorized devices such as an air compressor, scissor lift invention and a marble moving crankshaft in this advanced engineering camp. Then, collaborate in small groups with other engineers to accomplish large-scale missions! Creativity and collaboration are the name of the game in this camp designed for the hardcore LEGO® enthusiast. No experience necessary.
