Preschool

Summer Safari (3 – 5 years)

Your preschoolers will enjoy a summer packed full of fun adventures when they participate in our Summer Safari Preschool Camps. Each session will introduce campers to different materials and hands-on learning opportunities through art, music, language, reading and motor-skill activities. This program is a play-based preschool in a safe environment, which will help your camper to develop social and basic academic skills. Campers will receive one T-shirt during their first camp week of the summer.

Traditional Day Camps

Our ultra-spirited, fun-filled camps, Crusade, Quest and Voyager, follow the classic traditional camp format of different crazy and fun activities each day. Camps are supervised by friendly, fun, energetic, caring, patient, approachable and well-trained staff. Age-appropriate activities include fun fitness and nutrition activities, games, sports, field trips, crafts, songs and much more! Field trip locations and days are subject to change. All camps include a weekly walking trip to a Sunnyvale pool. For additional recreation swim details visit Swim.inSunnyvale.com. Campers need to bring a daily lunch, bottled water, two snacks and sunscreen. On recreational swim days please bring swim suit, towel and a dry change of clothes. Participants will receive one camp T-shirt for their first session of the summer. Additional camp shirts can be purchased at camp for \$8. Core Camp Days/Times: M – F, 9 a.m. – 5 p.m. Extended care options are available with drop-off as early as 7:30 a.m. and pick-up as late as 6 p.m.

Camp Crusade – 10:1 Ratio (5 – 11 years)

Camp Crusade features fun indoor/outdoor recreational games, arts and crafts and goofy contests, as well as two recreational swim days at Washington Pool. Campers will be separated into appropriate age groups for certain games and activities. All participants need to bring a daily lunch, bottled water, two snacks and sunscreen. On recreational swim days please bring swimsuit, towel, and a dry change of clothes. Camp includes extended care hours.

Acting Camps

Movement-Based Acting (7 – 14 years)

Acting uses your whole body! This process-oriented camp employs Anna Halprin's Tamalpa Life-Art technique, similar to method acting, to help young actors discover and convey a character's emotions. Class begins with a warm-up and meditative centering and incorporates modern dance, acting exercises, drawing, word play and other creative activities. Parents are invited to watch the final class meeting. First-time performers welcome. Wear comfortable clothes and dance shoes. Bring water bottle, snack and lunch that does not need to be refrigerated. Materials fee of \$15 is due to instructor on first day of camp.

Level 1 – Beginning: This class is suitable for those with little or no performing experience.

Level 2 – Intermediate: This class is designed for performers who have participated in a community or school stage production and taken at least one year of dance or acting classes.

Instructor: Hao Expression

Musical Theater (7 – 14 years)

Let's put on a show! Participants in this camp experience all the fun and camaraderie of being involved in a musical theater show, from auditions through applause. Students build confidence and practice teamwork skills, through singing, dancing and acting. This camp is great for both experienced performers and first-timers. Camp concludes with a performance for friends and family. Students must have completed second grade. Wear comfortable clothes and tennis shoes or jazz dance shoes. Bring water and a snack that does not need to be refrigerated.

Art Camps

iPad Art (7 – 14 years)

This camp will provide expert instruction on how to use various art apps developed for the iPad. Students can try a wide variety of projects to encourage and inspire their imaginations, including traditional drawing techniques, plein air sketching, animation and abstract art. Participants will finish a portfolio of digital art they can display or share digitally. Paper by 53 and Procreate must be downloaded to iPad by first day of camp. Cost for both apps is approximately \$6. Participants must bring an iPad 2 with iOS 8.1 (or newer). Materials fee of \$20 is due to instructor on first day of camp.

Magic Camps

Magic Wizards (7 – 11 years)

Make the doldrums disappear and find fun in their place at this Harry Potter-esque camp. Aspiring wizards will learn a variety of magic tricks, including mind-reading, optical illusions, basic sleight-of-hand and made or manufactured tricks. Students build confidence, creativity and fine motor skills through practice and performing. Participants receive a starter kit of magical items, including wand, wizard’s hat, deck of cards, 102 E-Z Magic Tricks book and a selection of easy-to-perform tricks. Camp concludes with a magic show for parents on the final day. Non-refundable supply fee of \$20 is due to instructor at first class meeting.

Science/Technology Camps

LEGO® Engineering FUNdamentals (8–12 years)

Have your camper become a Play-Well Engineer! Build cities, bridges, motorized cars and planes. With access to over 100,000 pieces of LEGO®, campers build what they have only dreamed of, with the support of an experienced Play-Well engineering instructor.

Instructor: Play-Well TEKologies
Location: Ponderosa Park

LEGO® Jedi Engineering **NEW** (5 – 7 years)

Young Jedi explore worlds far, far away and engineering principles right in front of them. Defeat the Empire by designing and refining LEGO® X-Wings, R2-units and settlements on far-flung edges of the galaxy. Imagination and engineering combine to create motorized and architectural projects such as energy catapults, shield generators and defense turrets.

LEGO® Jedi Master Engineering **NEW** (8 – 12 years)

The Force is strong in this class. Campers build complex machines and structures based on the best designs from a galaxy far, far away. Projects include LEGO® X-Wings, AT-AT walkers, Pod Racers, Star Destroyers, Cloud Cities, settlements and fortresses. Play-Well’s Jedi instructors reinforce key engineering concepts such as gear trains, worm drives, pneumatics, eccentric motion and more as students tap into the powerful forces of imagination and engineering.

Sciensational Camps

Half-Day, Full-Day and Extended Care

For families looking for a full day of activities, pair morning and afternoon Sciensational camps and/or add extended care options for any of its camps this summer. For full-day campers, please send bottled water and peanut-free lunch and snacks each day. Half-day participants are expected to be picked up promptly at 12 noon, or dropped off no earlier than 1 p.m.

Advanced Robotics **NEW** (7 – 12 years)

Build and take home the Jungle Robot, an advanced level robot that includes a gear box. Campers see and learn how different types of gears mesh and are driven by a motor, and connect the motor, battery and microphone to a circuit board, which will program your sound-activated robot. There will be time in this camp for advanced robotics students to challenge their imaginations and skills as they work in small groups to build different robotic creatures and vehicles. Tires, motors, gears, wires and controllers are used to move these robots across the floor. After making trial runs, teams can modify their designs to increase their robot's capabilities before it is tested for speed, strength and endurance in Sumo battles, tug-of-war contests and time/distance tests. The robots built in this section of the workshop are not taken home. They are taken apart, so components can be reused to build yet another robotic creation.

All-Terrain Tracker Vehicle **NEW** (7 – 12 years)

How about some land rover excitement? Campers build and take home their very own All-Terrain Tracker Vehicle! It travels the rough terrain overcoming objects in its path. Test your vehicle on an obstacle course that includes sand, stones, twigs and balls. Compete against other robots in a timed race. Campers work in a group with new friends to design a robot they can control. Build a Sumo wrestler robot, and be part of our battle box events.

Blowfish Robcraft **NEW** (7 – 12 years)

Build a robot fish with big, puffy cheeks to take it home and try in a pool or bathtub. Test it at camp in our miniature pool. Our Blowfish Robcraft is propelled forward by a left/right moving tail fin and has a small motor. Campers learn about gears and circuits and how motors work, as they have fun building their Blowfish Robcrafts. You will also get to design and build other robots that can perform many tasks, including a car built for speed that can race on an obstacle course.

**Crime Scene Investigation**

(7 – 12 years)

Your child will become a super science sleuth, learning about forensics, crime scene investigations and crime lab chemistry as campers perform experiments designed to show how tricky cases are solved. Campers search for the evidence, gather clues and discover how science can help solve a mystery. Participants will dust for fingerprints, analyze handwriting, test for blood type using simulated blood, examine hair and clothing fibers, practice chemistry to identify mystery substances and much more. Participants will then use their skills to solve crimes of the century.

Make It and Take It Home **NEW**

(5 – 11 years)

Campers will make and take home a wide assortment of toys designed to teach science concepts in a hands-on way. Grow and take home a crystal tree. Build an electric motor. Make glowing silly putty, and create green flubber. Plus, campers will learn some cool chemistry as they make their own sharpie pen T-shirt and create an energy bead bracelet with amazing beads that turn from white to a rainbow of colors before their eyes. To end the week, campers will make ice cream in an incredible, different, Scienstational way! Camper must supply their own white 100 percent cotton T-shirt for camp activity.

Driver's Education

(14+)

Driver's Education is a life skill class. There is no substitute for the student-teacher interaction, discussion, video analysis and instant feedback that takes place in the classroom. This course meets the State of California requirement to obtain a driver's instruction permit. The class is 30 hours long and does not include behind-the-wheel instruction. Upon completion of this course student will receive a certificate of completion of classroom driver education. Students must attend all sessions in order to receive the DMV completion certificate. Students must be 15 1/2 to get an instruction permit. A lunch break is provided. Bring a bag lunch.

Driver's Ed

Online Driver Education Course

This easy-to-use Online Driver's Education Course is approved by the California Department of Motor Vehicles. Reading, flash graphics, videos and quizzes prepare the student to pass the written DMV test. Log into the website, enroll and begin immediately. For information or to register, go to economicdrivingschool.com/online. On the enrollment form, select City Activity Guide and code 7350. Cost is \$68.50.

Entrepreneur Teen Camp

(12 – 14 years)

Give your teen a fun, hands-on introduction to the real world of business. This camp teaches basic business concepts to start their own part-time teen business ranging from a lemonade stand to a web design business. Your teen will gain communication, presentation and team working skills in this dynamic camp. At the end of the session, teens will walk away with a working business plan that they can take home and implement immediately.

Instructor: Biz Academy

Location: Braly Park

Junior Startup Camps

(9 – 13 years)

Many great companies got their start in Sunnyvale. Be the next one! Now aspiring entrepreneurs can get a jump on the competition with Junior Startup Camp. Based on the Junior MBA (Media/Money and Business Awareness) curriculum, this three-camp series consists of Invention Camp, Marketing Camp and Business Camp. Sign up for all three, or the one that most interests your entrepreneur. Campers are grouped into "companies" with students of similar age and experience level. For an additional fee of \$35, payable to the instructor at the first class meeting, campers can have their project memorialized in a video and entered into the Young Visionaries contest.

Invention Camp

Research and development teams brainstorm ideas for new products, improve inventions and learn about feasibility, Internet Protocol (IP) and Digital Rights. Plus, teams work on a challenge project to create a simple solar powered gadget, a crazy Halloween costume from everyday material or an elaborate Rube Goldberg – type machine to perform a simple task. Inventions are showcased on the last day of class.

Class #	Ages	Dates	Day	Time	Fee (Res/NR)
731110.1A	9 – 13	8/3 – 8/7	M – F	9:00 a.m. – 12:00 p.m.	\$210/\$260

Marketing Camp

Marketing teams work together to promote inventions made by Invention camp teams. Learn basic marketing and communication concepts, analyze media messages and ads through games, projects, skits and many other fun activities. Teams create a marketing campaign and website, conduct customer interviews, build a commercial and create a marketing presentation. Each team's final presentation will be showcased the last day of class.

Class #	Ages	Dates	Day	Time	Fee (Res/NR)
731110.1P	9 – 13	8/3 – 8/7	M – F	12:00 p.m. – 3:00 p.m.	\$210/\$260

Business Camp

Teams work together to get a student invention to market. Campers learn the basics of operations, manufacturing and finance, develop a business pitch and get funding. They also learn about different jobs within a company, write a resume and interview for teams. Finally, companies manufacture their product and compete in a tradeshow where they will take orders, sell products and pitch investors for more funding. Each team's final business presentation will be showcased the last day of class.

SAT/ACT Prep Camp

(12 – 18 years)

Learn strategies for both SAT and ACT to reach your best potential score for either of these tests. Effective lesson and practice units give the students a solid understanding of different types of SAT and ACT test questions as well as methods to analyze and answer each of those problems. Students are increasingly taking both tests and these two popular tests are merging in content and format. Take only one class that covers both, and find your best test fit. A material fee of \$35 is applied.

Teen Pioneer Camps (11 – 18 years)

Middle school and high school teens venture into “real job” territory, developing practical skills and confidence that can help them land summer jobs as juniors and seniors, while still enjoying the fun of summer camp right now. Every week features a fun teen field trip and weekly recreational swim day, along with valuable training. Teens who participate in the Community Service Project weeks are eligible to receive service learning hours credit for their schools. Extended day options are available for families who need early drop-off or late pick-up.

Chill Week

Teen Pioneers kick off the summer by kicking around town on field trips they help choose and plan. Teen choice field trips may include parks and local venues. Our highlight trip is Aqua Adventure Fremont Water Park.
