Sunnyvale Tennis Center
Change in Management

Effective January 1, 2012, the City of Sunnyvale took over the management and operation of the Sunnyvale Tennis Center from the former operator BG Tennis, Inc. The City expects to operate the facility until March 31, 2012, when a new vendor is selected and approved by City Council. The most qualified applicant will be picked from those currently competing in a Request for Proposal process, and it is expected that the selected vendor will commence operating the Sunnyvale Tennis Center on April 1, 2012.

During the transition (1/1/12 through 3/31/12), the City intends to manage court usage by following the reservation, hours of operation, and fee policies that are currently in place. Limited merchandise (tennis balls) will be available for purchase, but there will be no on-site racket services. A list of teaching pros will be available for those seeking instruction. Restaurant facilities will not be open; however, drinks and snacks will be available for purchase from vending machines at the center.

Lessons are now available directly with each individual Sunnyvale Tennis Center professional. For program and contact information, please stop by the Sunnyvale Tennis Center at 755 S. Mathilda Ave., Sunnyvale, CA 94087, or phone our new number at 408-735-7285.

To book a tournament, league or group event for play or for additional questions regarding the Sunnyvale Tennis Center, please contact Mark Petersen, Golf and Tennis Services Manager, at (408) 735-7285 or mpetersen@ci.sunnyvale.ca.us.

Thank you for your support during the transition!
