

Super Safari is a play-based recreation program designed to provide children their first experience in a structured environment. The program runs September through early June and follows the Sunnyvale School District holiday schedule. Our goal is to encourage your child's imagination and creativity through a play-based learning environment. Our experienced staff will lead a variety of hands on activities such as art, language, storytelling, math readiness, circle time, and music movement. Children must be toilet trained by first day of class. Please call (408) 730-7341 or visit [Preschool.inSunnyvale.com](http://Preschool.inSunnyvale.com) for more information.
