

# Work at Sunnyvale

# SCHOOL YEAR PROGRAMS

## Recreation Specialist

Assist with supervising a group of youth in after school programs, school break camps and special events. Organize and lead recreation activities including arts and crafts, sports and games.

## Site Lead

Provide day-to-day onsite supervision of after school youth programs and recreation staff. Create lesson plans and lead recreational activities. Interact with children, parents, school officials and the public.

## Preschool Teacher/Program Assistant

Work with young children, 3-5 years, in a recreation play-based preschool environment. Plan daily schedule, including crafts, visual arts, games and other activities. Oversee the day-to-day operations of programs such as preparing activity schedules and calendars, purchasing supplies, maintaining inventory and keeping records.

## Why Work Here?

- Learn leadership skills
- Explore career interests
- Make a difference
- Impact a child's life
- Improve public speaking skills
- Enhance problem-solving skills
- Be a part of your community
