These guidelines will serve to highlight the responsibilities on the part of both Sunnyvale City staff and the user.

STAFF: The City of Sunnyvale does provide staffing for events. The primary function of the staff is to open and lock the facility, set-up all tables and chairs prior to an event, and to remove all tables and chairs following an event. They will be responsible for **light** clean-up services only. The facility attendant(s) will provide you with guidance for all of the items listed below. They will also provide any clean-up materials to aid in cleaning, such as brooms, mops, and trash bags. During the duration of the event, if a situation comes up where a facility attendant(s) is needed, then he can be reached by cell phone or pager, which is given to the user at the beginning of the event.

USER: The user bears the responsibility of leaving the facility in the same condition as it was found. Failure to comply will lead to forfeiture of all or part of the permittee's damage deposit.

In Order to ensure a full reimbursement of a damage deposit, the user must meet the following criteria:

- ___ Floors are swept and mopped (if needed) and restored to the same conditions at the start of the event
- ___ All bottles, cans, cups, etc. are removed from the premises
- ___ Tables and chairs wiped clean of food and beverage spills
- ___ Any "wet spill" on floor mopped (wet spills must be addressed at the time they occur)
- ___ Trash bagged and transferred to the designated area
- ___ Kitchen area clean and cleared of any food or debris
- ___ Patio (if applicable) area clean, including the removal all cans, bottles, cups, etc

Additionally, events must conclude to the time specified on the Reservation Contract. The City of Sunnyvale does not permit adding additional time to a function the day of the event, however if time does exceed beyond the designated time, all or a portion of the user's damage deposit will be withheld.

Before departing, it is of utmost importance that the user checks with the staff supervisor to ensure that the facility is in fact "clean." This will aid, however not guarantee, in insuring the entire amount of the damage deposit is reimbursed to the permittee.
