

Ladder Storage Configurations

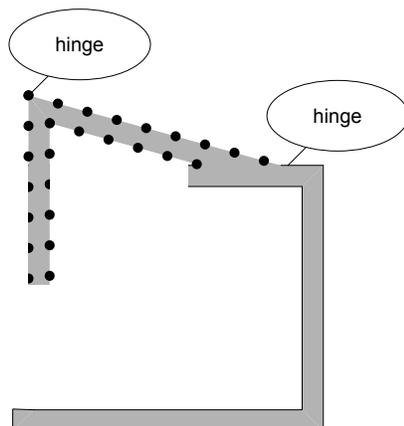

End Storage

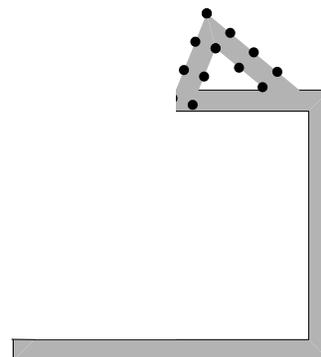

Horizontal Storage

Ladder storage box – side view (with door in semi-open position)

Ladder storage box – side view (with door in full-open position)

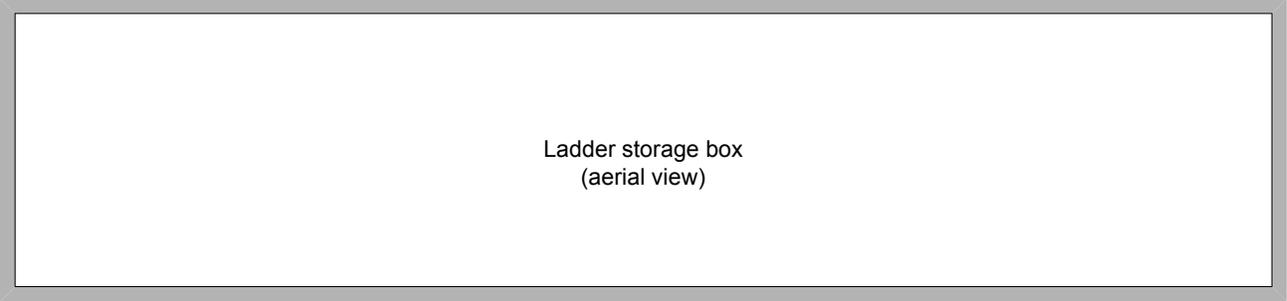

Please confirm all measurements with ladder manufacturer prior to building/purchasing storage enclosure

25 feet

3 feet

Ladder storage box
(aerial view)

The diagram shows a rectangular ladder storage box from an aerial perspective. The box is oriented horizontally and is defined by a thick gray border. The length of the box is indicated by a dimension line above it, labeled '25 feet'. The width of the box is indicated by a dimension line to its left, labeled '3 feet'. The text 'Ladder storage box (aerial view)' is centered within the rectangle.
