

# Notice of Availability and Public Meeting

## The City of Sunnyvale invites you to a public meeting on the Draft EIR for the Sunnyvale Water Pollution Control Plant Master Plan

**WHY THIS NOTICE:** The City of Sunnyvale Public Works Department (City) has released a Draft Environmental Impact Report (EIR) for the Sunnyvale Water Pollution Control Plant (WPCP) Master Plan for public review and comment. The Draft EIR has evaluated the environmental effects of approval of the Master Plan, which will serve as a long-term guide for upgrading and replacing the WPCP's facilities and operations. The public is invited to a public meeting to provide input on the Draft EIR.

**WHAT'S BEING PLANNED:** The purpose of the Sunnyvale Water Pollution Control Plant Master Plan is to ensure that the WPCP can meet changing regulations, treat existing and projected wastewater flows reliably and cost-effectively, and increase recycled water production. The Master Plan yielded a preferred site plan and a series of capital improvement projects, including replacement of existing and construction of new facilities, to be phased in over the next 20 or more years at and near the WPCP. Many of the existing buildings and processes at the WPCP site would be decommissioned and replaced with new buildings and processes. Improvements planned outside of the existing main plant area include construction of a new administration and lab building south of Carl Road, construction of basins and tanks for emergency water storage, and relocation of Bay Trail access to Caribbean Drive. The City is also contemplating implementation of a variation of the Master Plan in partnership with the Santa Clara Valley Water District to produce purified water at the WPCP.

### WHERE YOU COME IN:

#### Public Meeting

To describe the project and environmental effects identified in the Draft EIR.

**March 17, 2016**

**4:30 - 6:30 p.m.**

Sunnyvale Community Center Campus  
Recreation Center Building  
550 East Remington Dr.  
Sunnyvale, CA 94087

**Comments on the Draft EIR will be accepted in writing through 4:00 p.m. on April 14, 2016.**

Please submit your comments in writing using the following options:

**1) via U.S. Postal Service to:**

Attn: Alison Hood  
Senior Engineer  
City of Sunnyvale, Public Works  
P.O. Box 3707  
Sunnyvale, CA 94088-3707

**2) via email to:**

AHood@sunnyvale.ca.gov

The Draft EIR is available for review at <http://sunnyvale.ca.gov/Departments/PublicWorks/PublicWorksDivisions/Engineering.aspx>. The Draft EIR may also be requested by email at [AHood@sunnyvale.ca.gov](mailto:AHood@sunnyvale.ca.gov) or at **(408) 730-7415**.
