- Stations
- Adjourn

# Ground Rules

- Raise your hand to speak
- Direct comments and questions to presenters
- Limit comments and questions to 2 minutes per speaker
- Be respectful of others
- Keep an open mind

# Project Background

- Adoption of “Orchard Heritage Park Master Plan”, 9/24/02
- Adoption of “Revisions to the Orchard Heritage Park Master Plan”, 9/27/11
- 2015 Council Study Issue, DPW 15-10: “Relocation of the Butcher House to Heritage Park”
- Projects being considered together

# Project Definition

- [*Orchard Heritage Park*] project funded in Capital Improvement Program
  - Includes relocation of maint. bldg. & trash area

*“The purpose of the project is to make the Heritage Park Museum and surrounding area more accessible, usable and attractive.”*

# Project Definition

- Separate study issue to evaluate possible relocation of [*Butcher House*] to Orchard Heritage Park

*“This Study Issue would only determine the appropriate location for the Butcher House within Heritage Garden Park and the conceptual elements that need to be included as part of the project that affects other park features. This would include tree removals/relocations, utilities, and access.”*

# Process

- Project start-up / Site investigation (Aug/Sep '15)
- **Community meeting #1** (9/17/15)
- Prepare three (3) concepts
- Community meeting #2 (10/29/15)
- Parks & Recreation Commission (Early '16)
- City Council (Early '16)
- Finish design (Spring - Summer '16)
- Construction (Fall '16 – Spring '17)

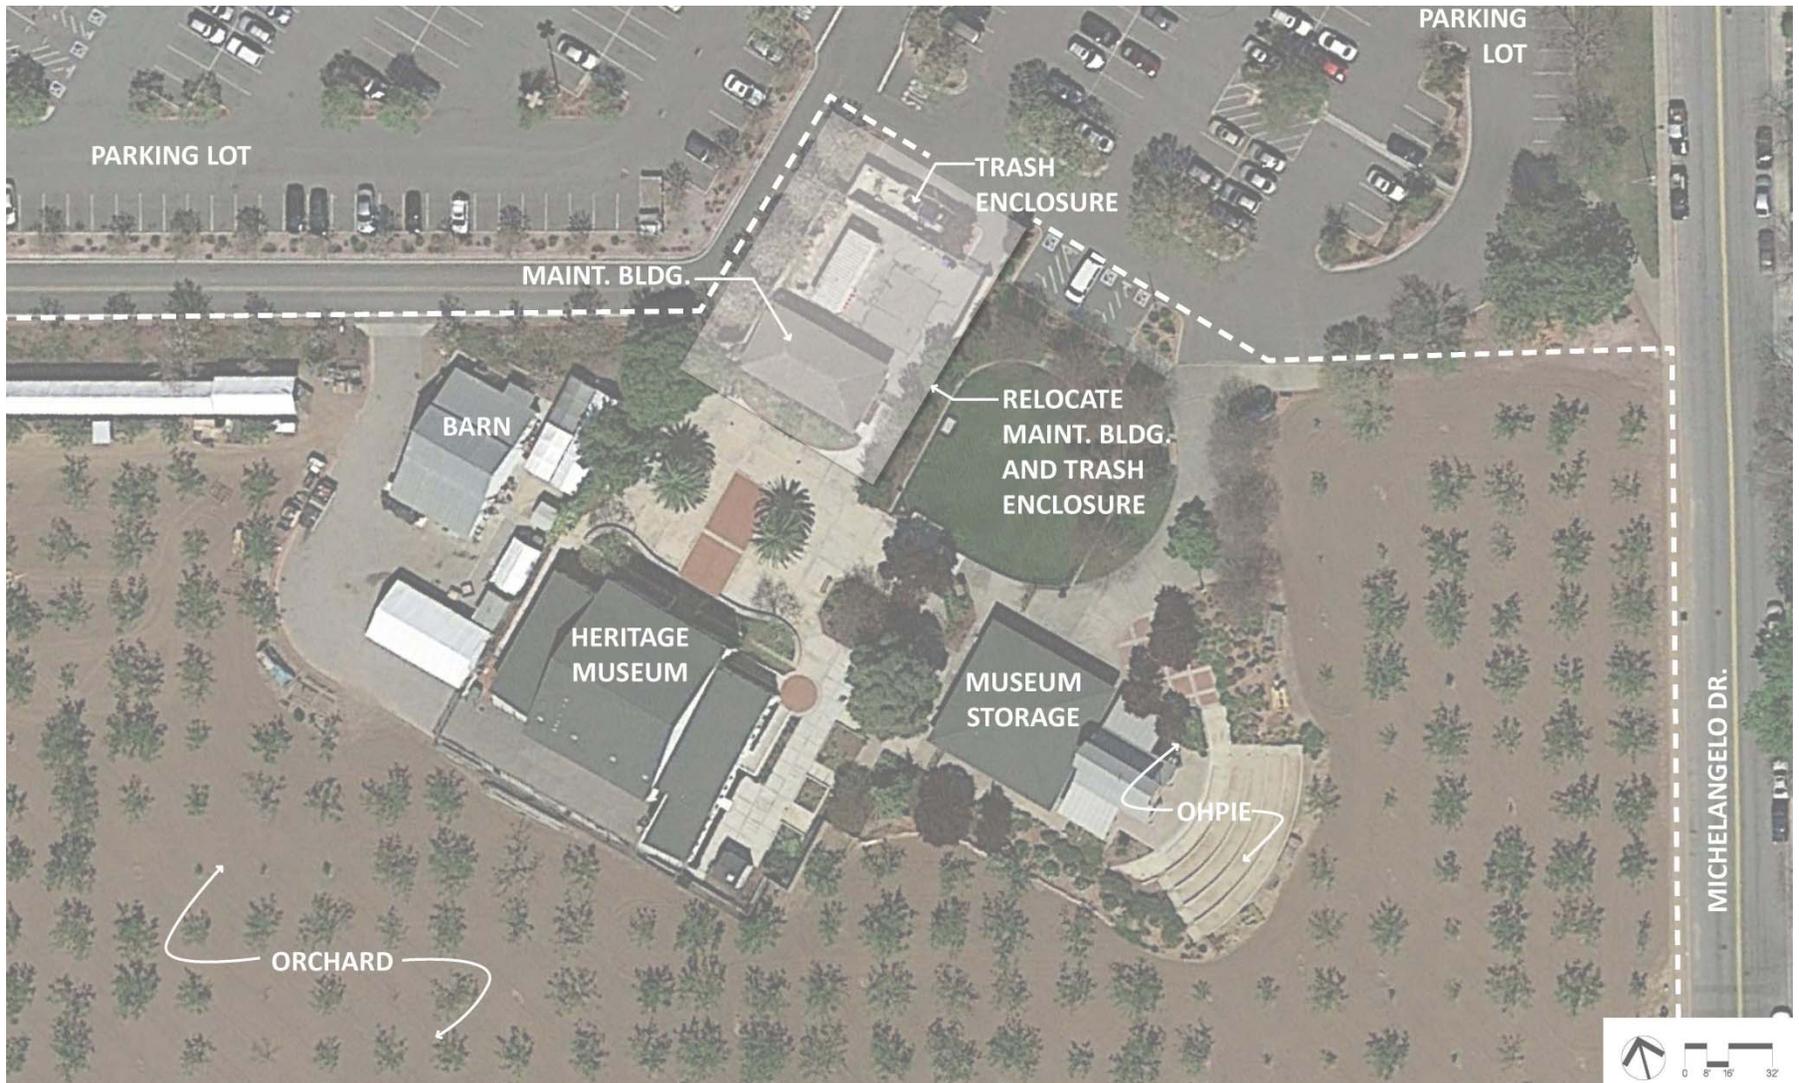

*[Orchard Heritage Park]*
