

Sunnyvale Downtown Parking and Maintenance Management Program

The Sunnyvale City Council is considering parking control systems for City owned parking lots near the Downtown Sunnyvale Caltrain Station and is seeking input from downtown businesses and nearby residents who maybe affected should parking control systems be implemented at the following locations shown below:

- ⇒ City Parking Lots adjacent to the Mathilda Avenue Bridge approaches and ramps
- ⇒ West Hendy Avenue (N.Taafe to N. Sunnyvale Avenue)
- ⇒ Angled Parking on north side of Evelyn Avenue

Date: Wednesday, October 10, 2012

Time: 7:30 AM

Location: Sunnyvale City Hall

West Conference Room

456 W. Olive Avenue
