COMMUNITY OUTREACH AND INPUT MEETING
on the
MARY AVENUE BIKE LANES STUDY

Date: Thursday, March 31, 2011
Time: 7:00 P.M. – 9:00 P.M.
Location: Las Palmas Park Building
850 Russet Dr
Sunnyvale, CA 94087

The City of Sunnyvale invites you to participate in the second public meeting for the Mary Avenue Street Space Allocation Study. Please plan on attending this meeting to give us your input!

The Mary Avenue Street Space Allocation Study is evaluating ways to better accommodate motor vehicles, bicycles, pedestrians and public transit along Mary Avenue between Fremont and Maude Avenues.

How Is the Community Involved?

- ***October 13, 2010:***
The City hosted the first public meeting to present two preliminary design alternatives and proposed criteria to evaluate these alternatives. Community feedback from this meeting has since been incorporated into two new concept design plans for final consideration, as well as a scoring system to help systematically evaluate the concept plans.
- ***March 31, 2011:***
At this second public meeting, the project team will present the two revised concept design plans and main evaluation findings. The team looks forward to this opportunity to gather additional community feedback to further inform selection of a preferred plan.

Visit www.MaryBikeLanes.InSunnyvale.com for more information.

Pursuant to the Americans with Disabilities Act, if you need special assistance in these meetings, please contact the City Clerk's Office at (408) 730-7483. Notification of 48 hours prior to the meeting will enable the City to make reasonable arrangements to ensure accessibility to this meeting (29 CRF 35.104 ADA Title II)
