**DECLARATION OF QUALIFICATIONS UNDER CONTRACTOR'S
EXCLUSION 8.16.110(f): *Solid Waste Collection and Transportation***

The City of Sunnyvale has an exclusive solid waste franchise with Specialty Solid Waste & Recycling. General contractors who wish to self-haul waste from a project may do so if they meet requirements under exclusion 8.16.110(f).

Please complete all items below to certify:

1. I, the undersigned, am authorized to represent the general contractor having a contract for construction or demolition at project site below.
2. All vehicles to be used for collection and transportation of Solid Waste are owned by or are under the exclusive control of the general contractor.
3. All persons engaged in collection and transportation of Solid Waste at this project are regularly employed by your company.

Please contact the Solid Waste Division with any questions at 408-730-7262.

PROJECT INFORMATION

This exclusion* is applicable only during the valid and active period of the construction and/or demolition permit for the project below**. Each project site requires a separate declaration.

*CITY OF SUNNYVALE MUNICIPAL CODE CHAPTER 8.16:

8.16.170. Collecting or hauling without franchise or license unlawful.

(a) It is unlawful for any person to engage in the business of collecting solid waste within the city, or to haul the same through any street or public right-of-way in the city, unless such person has been granted a franchise or license to do so by the city.

(b) It is unlawful for the occupant of a premises to engage the services of a person for collecting solid waste within the city unless such person has been granted a franchise or license to do so by the city. (Ord. 2954-11 § 1; Ord. 2614-99 § 1 (part)).

8.16.110. Exclusions.

(f) Contractors' Exclusions. No provision of this chapter shall prevent a licensed contractor having a contract for the demolition or reconstruction of a building, structure, pavement, or concrete installation from marketing any saleable items salvaged from demolition or reconstruction, or from causing salvageable items or construction or demolition waste to be removed and transported from the premises on which the waste is generated, pursuant to the provisions of the demolition or construction contract, subject to the following:

- 1) Collection, removal and disposal activity shall be only by the licensed contractor having the contract for the construction or demolition work that generated salvageable items or construction or demolition waste, or by regularly employed personnel carried on the licensed contractor's payroll records as an employee.
- 2) All vehicles used in carrying out collection, removal and disposal activities shall be owned by or under the exclusive control of the licensed contractor and shall meet all of the requirements of this chapter and all other laws, statutes, rules, regulations and ordinances of the state of California and the city.
