

CITY OF SUNNYVALE SCHOOL RECYCLING PROGRAM

# RECYCLING AT SUNNYVALE SCHOOLS

Recycling paper, food and beverage containers and cardboard at school is easy!

## Paper

## Containers

## Cardboard

**FLATTEN** cardboard boxes.  
**CLEAN PIZZA BOXES ONLY.**

## Garbage

FLATTENED cardboard boxes accepted in garbage bin—recycled at the SMaRT Station®

## JUST FOR SCHOOLS – Services • Programs • Events

Take advantage of school recycling programs, events and resources designed to raise environmental awareness, inspire creativity and community engagement, reduce waste and support teachers' environmental lessons in their classrooms.

### Resource Area for Teachers (RAFT)

Sponsored memberships are available to 100 teachers for only \$5. Find classroom materials and activity kits at rock-bottom prices. Hands-on workshops are also available. Check them out at *RAFT.net*. (Limit 3 teacher memberships per school.)

### Educycle.com

A free online marketplace for Bay Area teachers and schools to sell, donate, purchase or share surplus school items.

### Classroom Presentations

City staff are available to teach your students about recycling, waste reduction, reuse and composting. Call (408) 730-7278 to schedule a presentation.

### Go Zero Waste at Special Events!

Free portable trash and recycling containers available for your next walkathon, fun run or other large event. Call (408) 730-7484 for details.

### SMaRT Station Tours

Available to students aged 10 years and older. Children will learn where their discarded waste goes and how their actions can affect the environment. Virtual tours can be seen on the City's website at *Recycling.inSunnyvale.com*, *SMaRT Station Virtual tour*.

### Compost Workshops and Bins

Considering a school garden project? Santa Clara County Home Composting Program offers a worm bin, composting demonstration and worms—all for a \$10 materials fee. Call the Rotline at (408) 918-4640 to learn more.

### Clean Slate Program

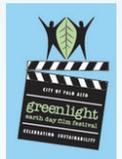

End of school year program for collecting all that extra paper. Don't toss it, recycle or reuse it! Contact the Recycling Program to order extra carts.

### Earth Day Poster Contest

Grades K-8 create environmentally-themed posters. Winners meet the Mayor at a Special Order of the Day ceremony in their honor and are celebrated at an ice cream social following the occasion. Call the Recycling Program for details.

### Greenlight Film Festival

Students interested in making videos about how our actions impact the environment can win prizes, see winning videos on television and be part of a live television broadcast at the Greenlight Academy Awards Ceremony. Contact the Recycling Program to learn more.
