

Environmental Regulations

Workshop For Apartment Property Managers

Learn how to keep your properties clean and green and comply with environmental regulations. Litter in a community decreases property values by 7 percent!

Workshop includes brief regulatory overview and practical tips covering:

- Solid Waste** – featuring a property that has overcome recycling challenges
- Stormwater** – covering pest control, carpet cleaning, pool draining, and more!
- Wastewater** – tips for mitigating sewer overflows

Office hours with environmental staff from various Santa Clara County cities

COST: No cost. Light breakfast will be served.

June 9, 2014 › 8:30 am – 12 pm ›

Dr. Martin Luther King Jr. Library › Room 225 › 150 E. San Fernando Street › San Jose

Convenient parking at corner of S Fourth and San Fernando Streets for \$1 per 20 min

TO REGISTER, send an email to Green@sunnyvale.ca.gov (please include the number of units you manage and the cities in which they are located).

This workshop is a collaboration between the California Apartment Association, Tri-County Division and the Santa Clara Valley Zero Litter Initiative, a coalition of stakeholder and agency representatives committed to eliminating litter and littering throughout Santa Clara County.
