APRIL EVENTS

Family Movie Night: Finding Dory

April 7, 2017

6:30 p.m., movie starts at sunset
Serra Park

Pre-movie activities will include large lawn games and interactive booths where families can learn ways to protect the Earth and waterways for wildlife and fish like Dory. For more info, contact tacinfo@sunnyvale.ca.us.

Brought to you by the City of Sunnyvale's Environmental Services Department, the Department of Library and Community Services and Monterey Bay Aquarium.

Design Your Own Native and Drought Tolerant Garden

April 8, 2017

9 a.m. to noon
Sunnyvale Senior Center, Laurel Room

Learn basic design concepts of a drought tolerant garden, how to avoid common mistakes, set goals and budget, and see a sample design come together from start to finish. Register through BAWSCA.

Good Bug/Bad Bug Presentation

April 10, 2017

3 to 4 p.m.
Ages 4-8
Sunnyvale Library, Program Room

Bugs, Bugs, Bugs ... come learn about which bugs are good, and why we need them in our lives. Participants will be able to make a bug mask after the presentation.

The Watershed and You

April 12, 2017

1 to 3 p.m.
Sunnyvale Senior Center, Laurel Room

Everyone lives in a watershed. Find out what a watershed is, which one you live in and how to protect it during this interactive presentation.

April 30, 2017

Noon to 4 p.m.
Sunnyvale Library

Learn how easy it is to green your life and protect our planet with hands on activities and demonstrations.

The Living Green Fair will feature Repair Café Mountain View, tree walks from Sunnyvale Urban Forest Advocates, interactive demonstrations about composting and water pollution prevention. Learn how to check-out a DIY Home Energy Kit, make and take home a natural cleaning product (first 100 visitors), and check out the winning entries from the youth video and poster contests. Sign-ups for repair services will begin at 11:30 a.m. Bring the family for a great day of living green — and remember your reusable water bottle!

Spring

MAY EVENTS

Ocean Shadow Box: Science, Art, and Simple Circuitry

May 3, 2017

7 to 8:30 p.m.
Middle School Students
Sunnyvale Library, Program Room

Learn about endangered marine species and create a beautiful shadow box! This hands-on workshop explores simple circuitry, first with Chibitronics on paper, then with LEDs, wiring and basic soldering. Register at: <https://snoceanshadowboxes.eventbrite.com>

Habitat Gardening

May 13, 2017

9 a.m. to noon
Sunnyvale Senior Center, Laurel Room

Discover concepts of Habitat Gardening by learning how to create gardens that will attract birds, beneficial insects and other wildlife. This course will have an emphasis on plant selection for habitat design. Register through BAWSCA.

National River Cleanup Day in Sunnyvale

May 20, 2017

9 a.m. to noon
Registration starts at 8:40 a.m.

Prevent litter from getting to the ocean by pick up litter and debris from the Sunnyvale East Channel, Calabazas Creek and areas around Baylands Park.

Youth under the age of 18 must have parental approval and anyone age 15 and under must be accompanied by an adult. This event may not be suitable for young children due to steep banks in some areas.

To register or receive further information, call 408-730-7717, TDD 408-730-7501 or send an email to green@sunnyvale.ca.gov.

Together, we can protect our waterways, Bay and ocean.
