**NOTICE OF PUBLIC HEARING**  
**PROPOSED RATE INCREASES FOR WASTEWATER SERVICE**  
**FISCAL YEAR 2014/15**

On **Tuesday, June 10, 2014**, the Sunnyvale City Council will hold a public hearing regarding proposed increases to utility rates for wastewater (sewer) services provided by the City of Sunnyvale. The hearing is scheduled to be held at **7 p.m. in the City Council Chambers located at 456 W. Olive Avenue in Sunnyvale.**

The City of Sunnyvale owns and operates a small wastewater collection system within northern Cupertino and part of the City of San Jose. As part of the yearly process of reviewing the financial condition of Sunnyvale's utilities, the City Council considers annual adjustments to the City's wastewater rates. If you are receiving this notice, it is because you receive a yearly assessment on your property tax bill for wastewater service at the above property address.

The proposed increase for wastewater service is 9% for the coming fiscal year. One exception to this increase is the high strength commercial wastewater rate, which will increase by 16% based on the cost of providing service to this class of customers. Wastewater rates are based entirely on Sunnyvale's costs of operating and maintaining its wastewater facilities and services. No tax revenues are used to cover the cost of wastewater services. The proposed increase reflects needed improvements to the City's wastewater collection, treatment infrastructure and increases in operating and regulatory compliance costs. Details regarding factors driving rate changes will be available in the 2014/15 Utility Rate Report to Council, available in the City Clerk's Office and on the City's website ([www.sunnyvale.ca.gov](http://www.sunnyvale.ca.gov)) at least two weeks prior to the hearing.

**PROTEST PROCESS**

If you wish to protest the proposed service rate increases, the City must receive your *written and signed* protest prior to the close of the public hearing on June 10, 2014. As required by California Proposition 218, should the City Council receive written protests from a majority of customers, the proposed rates will not become effective and the current rates will remain in place. Mail or deliver written protests to:

Rates will become effective upon adoption by the Sunnyvale City Council and will appear on your Santa Clara County property tax bill.
