## NOTICE OF PUBLIC HEARING

### PROPOSED RATE INCREASES FOR WASTEWATER SERVICE

#### FISCAL YEAR 2011/2012

On **Tuesday, June 14, 2011**, the Sunnyvale City Council will hold a public hearing regarding proposed increases to utility rates for wastewater (sewer) services provided by the City of Sunnyvale. The hearing will be held at **7 p.m. in the City Council Chambers located at 456 W. Olive Avenue in Sunnyvale.**

The City of Sunnyvale owns and operates a small sewer collection system within northern Cupertino and part of the City of San Jose. As part of the yearly process of reviewing the financial condition of Sunnyvale's utilities, the City Council considers annual adjustments to the City's wastewater rates. If you are receiving this notice, it is because you receive a yearly assessment on your property tax bill for sewer service at the above property address.

Wastewater rates are based entirely on Sunnyvale's costs of operating and maintaining its sewer facilities and services. No tax revenues are used to cover the costs of wastewater services. The proposed 5.5% increase detailed below reflects needed improvements to the City's sewer collection and treatment infrastructure, which are anticipated to total \$445 million over the next twenty years. Details regarding factors driving rate changes will be available in the 2011–2012 Report to Council, available in the City Clerk's Office and on the City's website ([www.sunnyvale.ca.gov](http://www.sunnyvale.ca.gov)) at least two weeks prior to the hearing.

#### PROTEST PROCESS

If you wish to protest the proposed service rate increases, the City must receive your *written* protest prior to the close of the public hearing on June 14, 2011. As required by California Proposition 218, should the City Council receive written protests from a majority of customers, the proposed rates will not become effective and the current rates will remain in place. Mail or deliver written protests to:

The rates charged to customers outside of Sunnyvale city limits are the same as charged inside the City with the exception of an administrative fee<sup>1</sup> added to cover the cost of placing the charges on the property tax roll.

Rates will become effective upon adoption by the Sunnyvale City Council and will appear on your Santa Clara County property tax bill.

*Please see the reverse side of this notice for current and proposed annual assessments.*
