

National Library Week Haiku Lives Change @ Your Library

Books awaiting me
calling for me from places
never known before

Books empower dreams
Filling imagination
In our hearts and souls

Check out. Read. Check-in.
Young fresh readers discover
New worlds. Library.

Almost three whole years
girls are away at college
empty nest not fun

Fighting for parking
cherry blossoms passed unseen
a new Jo Nesbo

Reading is soaring
on a cloud, gaining knowledge
valuable for life.

Timeless words transcend.
Knowledge, events live in you.
Each visit: learn more.

Crush: Everything around me is beautiful
Everything beautiful reminds me of you

boy with book in bronze
children climb up on his lap
it's fun to read book

Enjoy a good book!
See a fantastic movie!
Connect with your pals!

Libraries are fun.
Library books are awesome.
You can learn a lot.

The leaves open wide-
Books, cases, tables are all here
Doors open, Lives change

Here in Sunnyvale
tutoring learner to read
my self remembered

Travel broadens minds-
Through library doors, the world!
Not just this one place.

Walk through open doors
Illuminate and Enrich
Change Generations!

Quiet library
late in life learning to read
his liberation
