

# Living Green Fair

Learn how easy it is to green your life without breaking the bank through hands-on activities and demonstrations. Stop by one of our many tables for additional information, games, prizes and an up-close look at some electric vehicles.

April 30 • Noon — 4 p.m.

*Sunnyvale Public Library*

## **A fun family afternoon focused on living a greener lifestyle:**

- Repair Café – Get broken, torn & non-working items repaired for reuse
- Schools & Zero Waste: See “My Green Earth” award winning posters and videos
- Learn how to use and borrow an energy saving DIY kit and about the IGreenSunnyvale app
- Make and take home a natural cleaning product
- See how water flows to the Bay and ways to prevent pollution
- Learn how to compost your food scraps and yard trimmings
- You’ll also be able to dispose of unused medications, drop off batteries and cell phones for recycling and trade in your old mercury thermometer for a digital one and more
