To Whom It May Concern:

As you may already be aware, it is our goal at Comcast to ensure that your office remains informed of the programing services offered to our subscribers who reside in your community.

In pursuit of attaining our goal, we are sending you this letter as our office notice of upcoming programming adjustments scheduled to take place.

Effective July 23, 2013, we will reposition the Fox Soccer Standard Definition (SD channel #401) and High Definition (HD channel #803) from the Sports Entertainment Tier to the Starter and Starter HD level of services.

Our customers have been informed of this adjustment via a notice on their Digital Control Terminal.

This programming adjustment will not result in a price adjustment, at this time.

As always, if you should have any questions or concerns, please feel free to contact Lee-Ann Peling, Director of Franchise Operations at (925) 424-0168 (LeeAnn.Peling@cable.comcast.com) or me, at (925) 424-0207 (Mitzi.Givens-Russell@cable.comcast.com).

Respectfully,

A handwritten signature in blue ink, appearing to read "Mitzi Givens-Russell".
