

Dear Valued Customer,

At Comcast we are committed to constantly improving your entertainment and communications experience, and we continue to invest in making your services even better. As we make these and other investments, we periodically need to adjust prices due to increases we incur in business costs. **Starting July 1, 2014**, new prices will apply to select* Video, Internet and Phone services as described in this notice.

We want to make sure you are getting the most out of your XFINITY services. Here are some highlights of the many services available to you:

- **XFINITY On Demand™** – gives you thousands of top shows, hit movies and more—**90% of which are free.**
- **XFINITY Internet** delivers the fastest and most reliable in-home WiFi for all rooms, all devices, all the time. Plus, get the fastest hotspots with the most coverage on-the-go included at no additional cost.
- **My Account** makes it easy to manage your XFINITY account from practically anywhere. Pay your bill, receive security notices, check connection status and get payment confirmations using your computer or phone. Go to comcast.com/myaccount or download the XFINITY My Account app today.
- **DVR** - Watch your favorite programs online, set your DVR, and add your favorite shows to your Queue.

Of course, we back up our services with the Comcast Customer Guarantee (visit comcast.com/guarantee for details). We promise to provide you a consistently superior experience, including 24/7 customer service, two-hour appointment windows and on-time arrival—or we'll credit you \$20 or give you a free premium channel for three months.

Still have questions? Feel free to visit us at comcast.com/questions or call us at 1-877-508-5498. Thank you for choosing Comcast. We value you as a customer, and look forward to continuing to serve you.

All backed by the
Comcast Customer
Guarantee.

** If you are currently receiving services on a promotional basis, under a minimum term agreement associated with a specific rate, or in the guaranteed period of one of our SurePrice™ plans, the prices for those specific services will not be affected during the applicable period.*

Most reliable claim based on FCC, 'Measuring Broadband America,' February 2013. WiFi claims based on April 2013 study by Allion Test Labs, Inc. WiFi requires XFINITY Internet Performance (or above) service subscription. XFINITY WiFi and Cable WiFi not available in all markets. Not all Android™ devices are compatible with the XFINITY® apps. Not all apps available with Google Play Store. Standard data charges may apply. Check with your carrier. ©2014 Comcast. All rights reserved.
