# City of Sunnyvale

## Proposed Utility Rate Increases

### Community Outreach Meetings

---

---

The City of Sunnyvale is holding three community outreach meetings to share information on water, sewer, and garbage rate increases recommended to the City Council.

#### Join Sunnyvale Staff to Discuss:

- What do rates pay for?
- How does Sunnyvale set rates?
- How can residents & businesses participate in that process?
- How does Sunnyvale operate its three utilities?
- Why are rates recommended to increase?

#### Meetings:

|    | <u>Topic</u>      | <u>Date / Time</u>                    | <u>Location</u>  | <u>Address</u>                              |
|----|-------------------|---------------------------------------|------------------|---|
