PROPOSED AMENDMENTS TO THE
CITY CHARTER OF THE CITY OF SUNNYVALE

The City Council of the City of Sunnyvale, on its own motion, submits to the electors the following amendments to the City Charter of the City of Sunnyvale. The City Council has called a Special Municipal Election to be held on Tuesday, November 8, 2011, for the purpose of voting on the City Charter amendments.

The proposed amendments to the City Charter of the City of Sunnyvale follow the statement of the measures. The provisions of the City Charter proposed to be deleted are printed as ~~strike-out~~ type, and the new provisions proposed to be added to the City Charter are printed as underlined type.

CITY OF SUNNYVALE CHARTER MEASURE _____

Shall Charter Sections 600, 601, 602, and 605 be amended to change the current Council-appointed Mayor to a directly-elected Mayor, to provide that there is an 8-year lifetime term limit for a directly-elected Mayor, and to provide that service as Mayor is not counted toward Council term limits and a person can serve a combined total of 16 years as Mayor and Council member in a twenty-year period?

YES _____
NO _____

If Measure _____ carries, the City Charter of the City of Sunnyvale, shall be amended by amending Section 600, 601, 602 and 605, of Article VI (The Council), to read as follows:

Section 600. Elective Officers of the City. The elective officers of the City shall consist of a City Council composed of seven members, including the office of Mayor.

Section 601. Term and Election. Each member of the City Council and the Mayor shall be elected from the City at large at the General Municipal Election for a term of four years. The term shall commence at the first regular meeting in January, at which the City Council shall certify the election results, and shall continue until a successor is elected and qualified.

The office of each member of the Council and Mayor is a separate elective office to be separately filled at any election. The person elected at any election to the office designated "Mayor" shall be deemed elected both as Mayor and as a member of the Council. Although the Mayor is a Council member, his or her election does not change the number of Council members from seven.

No person shall be a candidate for both Mayor and a City Council seat at the same election. However, an incumbent member of the City Council may run for the elective office of Mayor, and the Mayor may run for the separate office of

Mayor or other City Council seat. At no time shall a member of the Council, including the Mayor, hold more than one City elective office.

The person receiving the highest number of all the votes cast for a particular elective office at any election shall be deemed and declared elected to that office.

Each Council seat shall be designated by a number from ~~1~~ through 7 and shall be known as "Councilmember Seat Number ____." Commencing with the 2013 General Municipal Election, seat 1 shall be designated as the Mayor's seat. The designation given to each elective office shall be used in all elections, nomination papers, certificates of election, and all other papers pertaining to such office, and to designate the incumbent of such office.

Seats numbered ~~1~~, 2, and 3 shall be filled at the General Municipal Election held in ~~2013~~ 1977 and every fourth year thereafter. Seats numbered 4, 5, 6, and 7 shall be filled at the General Municipal Election held in 1979 and every fourth year thereafter. The Mayor's seat shall be filled at the General Municipal Election held in 2013 and every fourth year thereafter.

Section 602. Qualifications. No person shall be eligible to hold office as a member of the City Council unless he/she shall be a registered voter of the City at the time of his/her nomination or appointment.

No person shall be a candidate for more than one elective office.

No incumbent member of the Council shall be a candidate for a Council seat other than the one which that person then holds.

No person shall be eligible to serve as a member of the Council for more than two successive four-year elective terms. Any person who has served two successive four-year elective terms shall not serve again until at least four years have passed since that person last held office. Any person who fills an unexpired term of not more than two years in length shall, however, be eligible to serve two successive four-year terms after the expiration of the unexpired term which he/she filled. Any person who serves a four-year elective term and is either not re-elected or does not run for re-election for a second successive term is eligible to serve after two years have passed since that person last held office as a Councilmember but is not eligible to run for a second successive term. Any person may serve as a Councilmember for eight years in any twelve-year period, unless appointed to serve an unexpired term of less than two years in length as provided in this section.

The office of elected Mayor, to be filled from the City at large, is a separate office from the Council and solely for purpose of term limits is not a Council office nor Council. Consequently, time served in such office of elected Mayor is not time served on the Council and time served on the Council is not time served in such office of elected Mayor.

No person shall be eligible to serve as Mayor for more than two four-year elective terms in a lifetime. Any person may serve as a Councilmember and Mayor for a total of sixteen years in any twenty-year period, unless appointed to serve an unexpired term of less than two years in length as a Councilmember as provided in this section.

Section 605. Presiding Officer. Mayor. ~~At the first regular meeting in January, at which the City Council shall certify the election results, following each General Municipal Election, and at the first regular meeting in January every~~

~~two years thereafter, the City Council shall select one of its members as its Mayor shall be the Council's presiding officer, who shall have the title of Mayor. Such selection shall be by motion of the City Council. The Mayor shall have a voice and vote in all its proceedings. He/she shall be the official head of the City for all ceremonial purposes. He/she shall perform such other duties as may be prescribed by this Charter or as may be imposed by the City Council consistent with his/her office. The Mayor shall serve in such capacity for a term of two years from and after which the appointment is made, and until a successor is selected; provided, that a person can continue to serve in the capacity of Mayor only while that person remains as a member of the City Council. The office of Mayor shall become and be deemed vacant immediately upon the incumbent ceasing to be a member of the City Council. In the event of a vacancy in the office of Mayor, the City Council shall officially declare the seat vacant within thirty days and call a Special Municipal Election for the purpose of filling such vacancy. shall select one of its members to serve as Mayor for the remainder of the unexpired term.~~

~~_____ The Mayor may be removed from such office prior to expiration of his/her term by a motion of the City Council adopted by the affirmative votes of at least five members of the City Council.~~
