

OPEN HOUSE AT UEWM

FREE Health Services in the Bay Area!

Sat, April 20th 2013
 1:30pm-4:00pm
 UEWM Campus, Sunnyvale, CA

High-Quality Health Care

The University Medical Clinic, staffed by licensed acupuncturists, serves the entire San Francisco Bay Area. Our acupuncturists have over 20 years of clinical experience.

Graduating student-interns, completing their training at the Medical Clinic are supervised by licensed acupuncturists in providing patient care. The clinic provides low-cost treatments; treatments by private practitioners are also available.

UEWM Medical Center will be providing free medical consultations to the public.

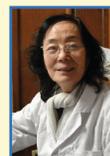

Conditions Treated:

- Pain-Management
- Preventative Care
- Stress-Relief
- Womens' Health
- Allergies
- Weight Management
