| | DPW 01C | Kaiser Hospital Access Study <i>Initiating traffic analysis. Schedule to be finalized pending Finance Department processing of contract documents. Estimate an April/May 2009 time frame, dependent upon results of public outreach process, need for any enhanced response or additional outreach.</i> | Completed 6/9/2009 |
| | DPW 02C | Policy Supporting Connections to Regional Bike Facilities <i>This study was scheduled and completed for presentation to Council on September 30, 2008. The Report was postponed at the request of the City of Los Altos in order to allow for consideration of action by the City of Los Altos on a Stevens Creek Trail feasibility study. The Los Altos City Council acted to request a meeting of policy representatives and staff from the four cities along the Stevens Creek corridor. This meeting occurred in late December, 2008. In order to update the Study and prepare an additional RTC regarding formation of a working group as a result of the December meeting, the item was scheduled for Council consideration on January 27, 2009.</i> | Completed 1/27/2009 |
