OCM 10-04C	<p>Civic Center Buildings: Renovate, Replace, or Relocate?  <i>Direction was provided by City Council during its joint study session with the Library Board of Trustees early in FY 12-13. Council expressed its interest in further exploring the concept of a branch library at the Lakewood Park/School site in partnership with the Sunnyvale School District, with capital costs to be covered by the proceeds from the pending sale of the Raynor Activity Center. Council further expressed continued interest in the redevelopment of the existing Civic Center Campus buildings via a public-private partnership model, with the main library relocated to the Community Center Campus. The exploration of public-private partnership models would not be limited to those involving the sale of civic center property but would also explore the concept of leasing City property to private developers in exchange for new or improved City buildings.</i></p> <p><i>Staff's efforts are currently focused on the branch library project, including community outreach, development of a draft agreement with the Sunnyvale School District, and pursuit of the sale of Raynor Activity Center.</i></p>
