DPW 13-15C	<p>Protecting Burrowing Owl Habitat on City Facilities.</p> <p><i>This Study Issue is in progress and a public meeting is being held on December 11, 2014. The item is tentatively scheduled for the Parks and Recreation Commission, and Sustainability Commission in March 2015. Staff is planning to take this issue to City Council in April 2015.</i></p>
<del>DPW 13-10C</del>	<p>Pilot Bicycle Boulevard Project on East-West and North-South Routes</p> <p><i>Completion date To Be Determined. Funding of approximately \$60,000 needed to carry out this study issue was dependent on receipt of grant funding which has not been secured. In 2014, no eligible grant funds were identified.</i></p>
<p>Item deferred by Council. Decision to defer DPW 13-10C resulted from <a href="#">RTC 15-0012</a> during the Council Meeting on 3/17/15. Item will return with 2016 Study Issues.</p>	
DPW 13-13C	<p>Feasibility of Establishing a Community Animal Farm for Children at the Sunnyvale Landfill</p> <p><i>The Study Issue went to Council on December 17, 2013. Council elected to further evaluate the technical feasibility of constructing park enhancements (shade structures, water fountains, benches, and trail connections) at the Sunnyvale Landfill and directed staff to explore Baylands Park as a possible location for Animal Assisted Happiness. As part of the community input and Council discussion, staff is completing a biological constraints and opportunities analysis for both the landfill and park prior to moving forward with new uses at the sites. A public meeting is scheduled for December 11, 2014 and the item is tentatively scheduled for both the Parks and Recreation Commission and Sustainability Commission in March 2015. Staff is currently targeting April 2015 to take the issue back to Council.</i></p>
DPW 14-14C	<p>Optimization of Wolfe Road for Neighborhood and Commuters via Reconfiguration and Signalization</p> <p><i>This will be a Multi-Year Capital Improvement Project. Study Issue will commence in 2015.</i></p>
