

**DRAFT FOR BICYCLE AND PEDESTRIAN  
ADVISORY COMMISSION REVIEW MAY 20, 2010****Council Meeting: TBD, 2010****SUBJECT: Adopt a Resolution to Authorize the Filing of the Fiscal Year 2010/11 Transportation Development Act Article 3 Application for Pedestrian and Bicycle Projects****REPORT IN BRIEF**

The Transportation Development Act (TDA) is a source of funds created by State legislation which annually returns to each region in the State 1/4 of 1% of sales tax revenues which are to be used for transportation projects. A portion of these funds are earmarked for bicycle and pedestrian projects. In order to receive funds in the 2010/11 funding cycle, the City of Sunnyvale must submit potential projects to the Santa Clara Valley Transportation Authority (VTA) and to the Metropolitan Transportation Commission (MTC). In FY 2010/11, \$52,313 is guaranteed to the City for eligible projects. The MTC requires that the City Council adopt a resolution to authorize filing for FY 2010/11 TDA funding for a Borregas Avenue Bicycle and Pedestrian Improvements project.

**BACKGROUND**

TDA funds are processed through the VTA and MTC. Seventy percent of the annual allocation is guaranteed to Member Agencies based on the most recent California Department of Finance population estimates. These funds may be used for any eligible project. VTA has estimated that the City of Sunnyvale will receive \$52,313 for eligible projects in Fiscal Year 2010/11.

Projects must be reviewed by the City Bicycle and Pedestrian Advisory Commission, must be in an approved bicycle plan, must have environmental clearance prior to expenditure (for construction projects only), must have an authorizing resolution, and must be able to begin construction within one year. The VTA prioritizes the submitted projects and then submits their list of recommended projects to MTC for approval.

The Bicycle and Pedestrian Advisory Commission (BPAC) considered FY 2010/11 TDA candidate projects at its May 20, 2010 meeting. The BPAC ...

**EXISTING POLICY**

The following documents contain policy direction on this issue.

Land Use and Transportation Element C3.5.4, Maximize the provision of bicycle and pedestrian facilities.

Bicycle Plan BP.B3, The City of Sunnyvale shall pursue all available funding options for bicycle facility construction and improvements.

Fiscal Sub-Element 7.1B.4d, Pursue and use intergovernmental assistance for projects in the Ten-Year Capital Improvement Plan.

## **DISCUSSION**

The determination of candidate TDA Article 3 projects for FY 2010/11 was based on review of budgeted projects in the Resource Allocation Plan, as well as unbudgeted projects, review of TDA eligibility requirements, consideration of the Pedestrian Safety and Opportunities Study, Bicycle Capital Improvement Program and Bicycle Plan, and Commission members' and staff's knowledge of bicycle and pedestrian facility needs in the City. This report requests that Guarantee TDA funds be used to provide additional funding for Project 828600, Borregas Avenue Bicycle and Pedestrian Improvements. This project will provide traffic controls and protections at the landings of the Borregas Bicycle and Pedestrian Bridges over Routes 101 and 237. The project will also complete bike lanes in the Borregas Avenue Bicycle Corridor between Weddell Drive and Persian Drive. This project was previously approved by Council and funded with a \$52,000 grant from the Bay Area Air Quality Management District. Additional funding is requested since assessment of conditions has determined that enhanced traffic controls are warranted that exceed the originally estimated cost.

## **FISCAL IMPACT**

TDA Article 3 is a program that reimburses cities for the incurred costs of selected projects. No local matching funds are required for Guarantee Fund projects. The VTA estimates the City will receive funds in the amount of \$52,313 from the City Guarantee Fund apportionment. New revenue constitutes a positive fiscal impact.

## **PUBLIC CONTACT**

Public contact was made by posting the Council agenda on the City's official-notice bulletin board outside City Hall, in the Council Chambers lobby, in the Office of the City Clerk, at the Library, Senior Center, Community Center, and Department of Public Safety; posting the agenda and report on the City's Web site; and making the report available at the Library and the Office of the City Clerk.

**ALTERNATIVES**

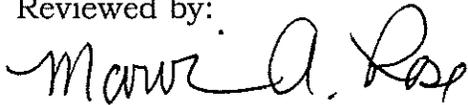

1. Adopt the attached resolution authorizing the filing of a project application with the VTA and MTC for allocation of Transportation Development Act funds for FY 2010/11 for pedestrian/bicycle projects.
2. Adopt a candidate project list different than the staff and BPAC-recommendation. Because of extremely tight deadlines for submittal of grant applications, this may require the City to bank funds to FY 2011/2012.
3. Do not take action at this time and forfeit TDA funds for 2010/11.

**RECOMMENDATION**

Staff and the Bicycle and Pedestrian Advisory Commission recommend Alternative No. X: ...

Staff and the Bicycle and Pedestrian Advisory Commission have considered potentially eligible projects for TDA funding, and found that the Borregas Avenue Bicycle and Pedestrian Improvements project will be eligible for 2010/2011 TDA Article 3 funds: .

Re: Request to the Metropolitan Transportation Commission for the Allocation of Fiscal Year FY 2009/2010 Transportation Development Act Article 3 Pedestrian/Bicycle Project Funding

**Findings**

Page 1 of 1

1. That the City of Sunnyvale is not legally impeded from submitting a request to the Metropolitan Transportation Commission for the allocation of Transportation Development Act (TDA) Article 3 funds, nor is the CITY OF SUNNYVALE legally impeded from undertaking the project(s) described in "Exhibit B" of this resolution.
2. That the CITY OF SUNNYVALE has committed adequate staffing resources to complete the project(s) described in Exhibit B.
3. A review of the project(s) described in Exhibit B has resulted in the consideration of all pertinent matters, including those related to environmental and right-of-way permits and clearances, attendant to the successful completion of the project(s).
4. Issues attendant to securing environmental and right-of-way permits and clearances for the projects described in Exhibit B have been reviewed and will be concluded in a manner and on a schedule that will not jeopardize the deadline for the use of the TDA funds being requested.
5. That the project(s) described in Exhibit B comply with the requirements of the California Environmental Quality Act (CEQA, Public Resources Code Sections 21000 et seq.).
6. That as portrayed in the budgetary description(s) of the project(s) in Exhibit B, the sources of funding other than TDA are assured and adequate for completion of the project(s).
7. That the project(s) described in Exhibit B are for capital construction and/or design engineering; and/or for the maintenance of a Class I bikeway which is closed to motorized traffic; and/or for the purposes of restriping Class II bicycle lanes; and/or for the development or support of a bicycle safety education program; and/or for the development of a comprehensive bicycle and/or pedestrian facilities plan, and an allocation of TDA Article 3 funding for such a plan has not been received by the CITY OF SUNNYVALE within the prior five fiscal years.
8. That the project(s) described in Exhibit B which are bicycle projects have been included in a detailed bicycle circulation element included in an adopted general plan, or included in an adopted comprehensive bikeway plan (such as outlined in Section 2377 of the California Bikeways Act, Streets and Highways Code section 2370 et seq.).
9. That any project described in Exhibit B that is a "Class I Bikeway," meets the mandatory minimum safety design criteria published in Chapter 1000 of the California Highway Design Manual.
10. That the project(s) described in Exhibit B are ready to commence implementation during the fiscal year of the requested allocation.
11. That the CITY OF SUNNYVALE agrees to maintain, or provide for the maintenance of, the project(s) and facilities described in Exhibit B, for the benefit of and use by the public.

**Review of FY 2010/11 Recommended Budget**

The recommended FY 2010/11 Budget has been released for public review. As part of that review, the City asks that Boards and Commissions review those portions of the budget that are within their purview. The City budget alternates every other year between capital projects and operations. This year is an operational budget cycle. Attached for the Bicycle and Pedestrian Advisory Commission's review and comment are the operational programs/projects having to do with bicycling and pedestrian facilities.

The entire budget is available for review online at:  
<http://sunnyvale.ca.gov/Departments/Finance/BudgetDocuments.aspx>

Staff suggests that review of the City Manager's Budget Message (enclosed) is an efficient way for interested BPAC members to get a sense of the overall budget for the City. The letter contains information on funding sources including transportation related sources, financial issues facing the City, and the general budgeting process.
