

Selection of Sub-committee

This is an action item to select a sub-committee for the purpose of providing input to the Traffic Unit of the Department of Public Safety on sections that BPAC would like to emphasize for enforcement purposes out of the State Vehicle Code and the City Municipal Code.

Utility Bill Stuffer Concepts

The BPAC members are requested to suggest and discuss ideas for forming this year's utility bill stuffer. Staff would like to suggest the concepts of environmental sustainability as it relates to transportation, and the establishment of complete streets.
