DPW 14-## Consideration of Policies and Actions to Support Car Sharing

Lead Department Department of Public Works

Sponsor(s) Bicycle and Pedestrian Advisory Commission

History 1 year ago: 2 years ago:

1. **Scope of the Study**

a. What are the key elements of the study?

This study would investigate policies and actions to foster establishment of Car Share businesses or programs in Sunnyvale as a means to reduce demand for car ownership and the corresponding potential for increasing bike space. The study would survey the state of the industry and what public actions are being taken to support Car Sharing. The study would consider workable rules/laws pertaining to Car Sharing and make recommendations on how Sunnyvale could facilitate implementation.

b. What precipitated this study?

The BPAC believes that car sharing is a highly effective means to reduce the number of motor vehicles on the roadway, thereby freeing up space for bicycling.
