ACTION: Comm. McKenna made a motion on 2009-0672 to approve the Design Review with the conditions in Attachment B. Comm. Sulser seconded. Motion carried 6-1, with Comm. Rowe dissenting.

APPEAL OPTIONS: This action is final unless appealed to the City Council no later than May 11, 2010.

NON-AGENDA ITEMS AND COMMENTS

- COMMISSIONERS ORAL COMMENTS

Comm. Hungerford commented about the General Plan Consolidation Advisory Committee meeting of April 22, 2010. He explained the Committee's goals and core issues with the consolidation including reducing the size of the Plan, keeping the key elements, and making the Plan user-friendly. He said the Committee debated the issues with most of the members feeling that nothing should be taken out of the Plan except possibly duplicate information, and information that does not really belong in the Plan. Comm. Hungerford said a second big issue is what the Plan should look like including a heavy emphasis on having an electronic version, however the law requires there be a paper version. He said the format is being explored. He said at the next meeting the Committee would be exploring what can be done electronically and costs. He said the next meeting is on May 27, 2010 at 7 p.m. located in the West Conference Room in City Hall and said that it is open to the public.

Comm. McKenna said that she recalls a General Plan document from the County of Santa Clara years back that looked like a newspaper. She suggested that the Committee take a look at the newspaper style format for the General Plan and consider this style with links to a more

extensive General Plan. Comm. Hungerford said the Committee did see examples of a couple of Plans similar to her suggestion.

Comm. Rowe said that the IT (Information Technology) Department would need to provide input on the cost of keeping links updated if an extensive version of the General Plan is available through links.

Trudi Ryan, Planning Officer, said staff is recruiting for a different committee called Horizon 2035. She said this committee would assist staff in crafting the goals and policies associated with the Land Use and Transportation Element and the Climate Action Plan. She said any interested resident, business owner, or property owner of Sunnyvale, 16 or older, is eligible to apply. Ms. Ryan said additional information could be found on the City website at Horizon2035.insunnyvale.com and encouraged interested persons to submit their application by the April 30, 2010 deadline.

- STAFF ORAL COMMENTS

City Council Meeting Report

Ms. Ryan, Planning Officer, commented about Planning related items to be considered at the April 27, 2010 City Council meeting.
