NON-AGENDA ITEMS AND COMMENTS

- COMMISSIONERS ORAL COMMENTS

Comm. Rowe discussed on-site project posting notices with staff, specifically regarding a recent appeal of a neighbor who said the posting notice for a Design Review project was only posted for one day. Comm. Rowe asked what the City does if a posting notice for a project disappears from a site. **Kathryn Berry**, Senior Assistant City Attorney said that under State law the noticing for this type of project requires that the City send a first class mailed notice to any resident within 300 feet and that the City has adopted additional noticing practices including newspaper notices. Ms. Berry said that legally the City has more than complied. **Trudi Ryan**, Planning Officer, said that staff recently began asking applicants for Design Reviews that go to public hearing to provide evidence that a notice is posted. **Chair Chang** discussed with staff whether there is a legal recourse for removing a posted notice. Ms. Berry said there are many ways a notice can be removed and there would need to be some proof of intent for removing the sign.

Comm. McKenna asked staff about the status of the Palo Alto Medical Foundation (PAMF) project. Ms. Berry said the Planning Commission and City Council approved the project and a neighbor and resident sued the City alleging three CEQA (California Environmental Quality Act) violations. Ms. Berry said PAMF has retained counsel, as this is private project, and the briefs are about ready to be filed. Ms. Berry commented that the Mary Avenue Extension project is also up on appeal, and briefs have been filed.

- STAFF ORAL COMMENTS

City Council Meeting Report

Ms. Ryan, Planning Officer, commented about Planning related items considered at the April 27, 2010 City Council meeting and Planning related items to be considered at the May 11, 2010 meeting.

Other Staff Oral Report

Ms. Berry discussed a recent case regarding a family suing a school district over the district's policy of the flag salute. The school district said it was optional for the children to participate in the salute. The Court of Appeals determined that the use of words "under God" was an expression of an opinion, with Ms. Berry saying it is still legal to say the flag salute in the City chambers.

Comm. Sulser discussed with Ms. Ryan that the May 11, 2010 Council meeting would include a joint meeting of the City Council and the Redevelopment Agency regarding the downtown redevelopment. **Comm. Hungerford** added that the staff report and the proposed Amended and Restated Disposition, Development, and Owner Participation Agreement (ARDDOPA) are located on the City website.
